ABOUT

Bring 'Em Back is a program dedicated to ensuring safety within our communities by providing a safe place for offenders to relinquish their handguns upon court order.

This community-based program is comprised of law enforcement, criminal courts and local churches. It is designed to incentivize offenders to surrender their weapon by providing a reduction of court costs, fines and/or community service in exchange for their weapon.

Please check with the court in which your case is filed to determine your eligibility.

HOW DO I PARTICIPATE?

1. Tell your attorney that you have a handgun and wish to participate in the Bring 'Em Back program.
2. Your attorney will receive a form from the court coordinator which allows you to participate in the program.
3. Choose a drop-off location from the court-approved list and notify your attorney *before leaving court*.
4. Call the chosen location and schedule a drop-off time within **24-48hrs from the sentencing of your plea**.
5. Prior to arriving at the drop-off location, **EMPTY YOUR GUN AND REMOVE MAGAZINE** from the weapon. Place weapon and magazine inside the trunk of the vehicle.
6. Go to the designated location and **leave weapon/magazine inside the trunk of the car**.
7. Take your identification to the front desk along with your court form.
8. Upon verifying your identification, the receiving agency will escort you to your car, retrieve your weapon and sign your receipt.

IMPORTANT INSTRUCTIONS

You must turn in your weapon within **24-48hrs from the sentencing of your plea**.

For your safety, **do not take firearms into the location**. **LEAVE WEAPON IN THE TRUNK OF THE CAR**.

You will not get credit if you do not choose a location on the approved list.

Your I.D. will be used for Identification purposes only. ***You will not be checked for warrants.***

You will not be provided with any form of payment for your weapon nor will it be returned.
