Specify any additional comments/cost/etc. included with your bid proposal, if applicable:						Due to the recent price increases in Phosphorus, all fluorescent products have experienced an industry wide increase in pricing. Therefore Graybar will not be able to guarantee pricing for these products for an extended period of time.		Due to the unstable nature in the lighting industry at the present time, we are only able to insure the pricing on the bid for a six month period.

Specify any additional comments/cost/etc. included with your bid proposal, if applicable:		Due to the pricing volatility of rare earth minerals used in the manufacturing of some fluorescent lamps, pricing for items listed with an asterisk (*) will only be good until January 31, 2012.			Items notated DOE will not be manufactured after July 14, 2012 and will only be available until stock is depleted. Items noted REO will only be firm pricing through 2/18/2012 due to the rapidly rising costs of phosphors. At that time they would be raised according to manufacturers increases.
