Information on Provision of Health Insurance Coverage for Employees

Dallas County may consider the provision of health insurance coverage for employees in the bid evaluation process (see page 4, paragraph 5). Please complete the information below to assist in this evaluation.

- a) Does your company provide health insurance coverage to its employees?
- b) If your company does provide health insurance coverage to its employees, does the company share in the cost a minimum of 75% for employee only coverage and 50% for family coverage?
- c) If your company provides health insurance coverage to its employees, is the coverage comparable to the services provided by Dallas County as described in the attached summary plan description? (See Attachment - A)
- d) If your company plans to utilize subcontractors in the fulfillment of this bid, does each of the subcontractors provide health insurance coverage to their employees that compares to Dallas County's health insurance coverage and share in the cost?
