Certificate of Merit — Dallas Sheriff's Honor Guard

Retired Captain M. Howard with members of the Honor Guard

The Dallas County Sheriff's Department Honor Guard was established in 1982 and is a team of hard-working, dedicated Deputies and Detention Service Officers that have given, and continue to give their greatest effort to ensure that the Dallas Sheriff's Department is represented with pride, dignity, and professionalism. Only those persons who are highly motivated and maintain exceptionally high standards of appearance and conduct

and show aptitude for ceremonial duty are considered for the position of Honor Guard. The team practices, drills and polishes with one goal in mind: Honor. By wearing the Honor Guard uniform, each member accepts the commitment to excellence, and views their mission as sacred duty. That commitment is continually evidenced by the team's impeccable appearance and dedication to precision. The Honor Guard takes part in many ceremonies throughout the year. The team is most often called upon to present the colors at various ceremonies and meetings. The team considers it a privilege to treat the flag of the United States of America with the respect and dignity it deserves.

The team also attends several funerals and memorial services throughout the state of Texas. Their most revered duty is to render honor and respect to fallen officers, and each member understands the significance of their role in paying tribute. Professionalism, discipline, precision, and empathy are without compromise at memorial services, which often provide a lasting memory of a beloved officer for the loved ones left behind. The team was awarded the Certificate of Merit.

Retired Captain Mark Howard Receives Certificate of Merit

In 2007, Captain Mark Howard wanted to honor the 19 Dallas County Sheriff's Department Deputies who were killed in the line of duty. The Sheriff's Department did not have a memorial to the fallen deputies and he decided to change it. He put in countless hours planning and coordinating a Fallen Deputy Memorial Ceremony. In 2008, family members and officers came together to hear their loved one's name called and a moment of silence to show gratitude for their sacrifice while working to protect the citizens of Dallas County. But the ceremony was not enough, Captain Howard wanted to take it further and create a standing monument with the names and end of service dates for the 19 Fallen Deputies. He began soliciting funds and hosting motorcycle benefit rides to collect enough funds to start making his vision a reality. He contacted a monument designer in Georgia and the black granite monument we see in Founder's Plaza became a reality. Captain Howard was able to collect \$80,000.00 from 2007-2009 to create the monument. The memorial was put in place on May 9, 2009 and was dedicated on May 15, 2009 to the 19 Fallen Officers. For his dedication and commitment to the Dallas County Sheriff's Department and the Fallen Deputy Memorial, Captain Mark Howard was awarded the Certificate of Merit.

DID YOU KNOW?

The Dallas County Sheriff's Reserve was started in June 1951 from an idea at a meeting between Sheriff Bill Decker and Col. Harold B. Younger of the Texas State Defense Guard. The guard had been put on inactive reserve status upon the return of the National Guard units after World War II. Many of these state guardsmen felt that they did not want their training to go to waste as they still wanted to be of service to their country in case of an emergency. From that June meeting, Class I was created. On July 24, 1951 a total of 59 guardsmen began their training. Reporting for training once a week for two hours, the class met in the old Criminal District Court # 2 of Judge Robert A. Hall. The reservists were directed during their training by Sheriff Bill Decker and Deputy Charles Polk Player. Class I held their graduation in the same court room where they had received their training on December 11, 1951.

The Dallas County Sheriff's Reserve has been called to duty many times in its 58 year history. What started out as reserve officers to supplement the patrol section, grew to cover all areas of the sheriff's department. (Patrol, Warrants, Fugitive, and Detention Services) In addition to the every day functions of the department, the Reserve Division has been mobilized for major events and disasters throughout Dallas County.

Community Meeting (continued from page 1)

Commissioner Price mentioned topics that involved the cultural training that police officers receive before officers are on the street. The meeting was video recorded and Commissioner Price plans to use it at the juvenile detention center in Dallas. A press release from Commissioner Price's office reads "The guiding purpose of this meeting is to provide guidelines and imperatives to assist our community as they engage and interact with various law enforcement officials. Concurrent to that mission, we also want to gauge whether or not the agencies are sufficiently trained, at every command level, in respecting the diversity of cultures that make up our demographic. We need reform and compliance from the cop on the beat to the chief prosecutor that represents the bench."

Assistant Chief Deputy M. Brown Responds To Questions From The Audience

Former Chief Deputy Robert "Bob" Knowles (1945-2015)

Former Dallas County Sheriff's Department Chief Deputy Robert "Bob" Knowles, was laid to rest on January 14, 2015. He was 67. He was born and raised in Quanah, Texas. Mr. Knowles was a flight instructor for a small airport between Plano and Garland before he worked as a detention officer in Plano. From there, he spent more than 40 years working in the big urban jails of Dallas and Tarrant counties. He started his career in law enforcement September 1974 as a Deputy Sheriff for the Dallas County Sheriff's Office. His management skills were quickly recognized as he rose through the ranks and was promoted to the rank of Captain in July of 1978. In less than a year after being named the Jail Administrator for the Dallas County Sheriff's Office, all four of the County's jail facilities were certified by the Texas Commission on Jail Standards.

For 30 consecutive Annual Jail Inspections beginning in 1984, 17 with Dallas County and 13 with Tarrant County, all jail facilities under his command were certified, and remained in compliance through the dedication and diligence exhibited by him. During his tenure as a Jail Administrator, Mr. Knowles was recognized for his expertise in the field of county corrections throughout the State of Texas and served as the President of the Texas Jail Association in 1996. On a national level, Mr. Knowles was the recipient of the Howard B. Gill Award from the American Jail Association in 1985 as the Correctional Administrator of the Year. Mr. Knowles was honored at the Commissioner's Court meeting held on January 13, 2015 and several commissioners and officers expressed their sincere appreciation and admiration of Mr. Knowles for the 40 years of outstanding and dedicated service and a legendary law enforcement career.

“A Chop Shop Dismantled” By Sheriff’s North Texas Auto Theft Task Force

The Texas Association of Vehicle Theft Investigators (TAVTI) was founded in 1975 by a group of Texas law enforcement officers that were concerned with the volume of vehicle thefts in Texas. The auto theft problem still continues to be one of the most complex, costly and widespread crimes to ever confront law enforcement and the citizens of Texas.

To keep TAVTI’s nearly 400 members informed of current news and developments relating to auto theft, the **SlamHammer** magazine was created. This magazine is published three times a year and is mailed to their membership. It should be noted that their law enforcement membership includes auto theft detectives, patrol officers and crime prevention units that pass this information along to the public.

The Dallas County Sheriff’s North Texas Auto Theft Task Force was recently featured in the magazine with the title of the story being called **“A Chop Shop Dismantled”**. It told the story of how on July 31, 2014, Detectives Walter Clifton and Chris Vinson had received information from witnesses regarding the theft of a 2012 Chevrolet Camaro 45th Anniversary Edition. The vehicle had been reported stolen to Desoto Police earlier that day. The vehicle had been stolen by a suspect using a wrecker. Detectives Clifton and Vinson located the wrecker service and met with the owner of the company. The owner of the company cooperated with the Detectives and provided GPS coordinates for his driver and the truck. Detectives then contacted the wrecker driver and he provided information of the involvement of an additional employee. Detectives were then able to get the location of where the driver had dropped off the vehicle. Upon arrival, Detectives located the stolen Camaro behind a locked fence. A search warrant was written for the location and Dallas Sheriff’s Sgt. Mickey Tolbert, Detective Stephen Smith and Detective J.D. Harris arrived to assist with the execution of the warrant. Once inside the property, Detectives located the following stolen vehicles: a 2012 Chevrolet Camaro, a 1999 Ford Lightning, a 1995 Chevrolet Silverado, a 2009 Ford Crown Vic, a 2010 Chevrolet Camaro, a 2009 BMW and a 2008 U-Haul car hauler. In addition to the vehicles, Detectives also recovered the engine, transmission and major body parts to another 2013 Chevrolet Camaro. Body parts consisting of hoods, doors, trunks and fenders as well as front and rear axles also recovered from approximately three (3) additional Chevrolet Camaros. Several stolen sets of doors from multiple vehicles were recovered. As of today, one arrest has been made. The wrecker driver was charged for Theft over \$20,000 which is classified as a Felony 3. NTATTF Detectives are continuing the investigation

“Super” Jane Vandeventer Retires

Leading Pioneer for 30 Years in the Dallas County Jail Education Programs

The Dallas County Sheriff’s Department said goodbye to Jane VanDeventer who was the Dallas County Community College District’s Jail Education Program Administrator and worked providing jail education classes for inmates incarcerated within the jail system. Mrs. Vandeventer dedicated thirty years to the jail education program and will now enjoy retirement. On Tuesday, January 27, 2015, Mrs. Vandeventer was recognized at the Commissioners Court Meeting by Commissioner Elba Garcia.

Mrs. VanDeventer was hired as Adjunct Faculty Professor for the Jail Education Program in the Dallas County Jail in 1985 and promoted to Jail Program Administrator in 1996. It was under her leadership, that the jail education program was able to shift the curriculum from tele-courses to computer-based courses in 1999.

By 2008, the enrollment rate by inmates in the jail education program had doubled. Computer lab expansions for courses offered were made possible with the opening of the Suzanne Kays South Tower. And thanks in large part to Mrs. VanDeventer, students are now offered six Dallas County Community College District (DCCCD) and state level certification programs in addition to food handler certificates, art classes and even a print shop program. Currently, there are seven computer labs and four art classrooms available in the Dallas County Jail system that serve over 1,500 students annually. Mrs. VanDeventer was commended as the “unsung hero” for the Jail Education Program. She always possessed unshaken courage and demanded that everyone was treated with dignity and respect. At the Commissioner’s Court meeting, Commissioner Garcia awarded Mrs. VanDeventer a resolution and spoke of Mrs. VanDeventer’s bravery, relentlessness and unbroken spirit that led the Dallas County Jail Education Program to truly stand out and touch thousands of lives. Her work changed the culture of the Dallas County Jail Education Program and made it a program the citizens of Dallas County could be proud of. Mrs. VanDeventer will definitely be missed.

Commissioner Garcia reads a resolution dedicated to Jane Vandeventer and her 30 years of service.

Sheriff Valdez, Commissioner Garcia, Commissioner Cantrell, County Judge Jenkins, Commissioner Price, and friends from the Sheriff’s Department Inmate Programs Section and Jail Education Programs faculty celebrate Jane VanDeventer’s 30 Years of Service and her Retirement.

Law Enforcement Suicide Prevention Course Offered

Each year, more law enforcement officers die by suicide than are killed in the line of duty. Law Enforcement Officers are at a heightened risk for suicide, due to experiencing such risk factors as exposure to violence and other job-related stressors; That is the reason that St. Petersburg College, in conjunction with the Federal Bureau of Justice Assistance, has developed a curriculum to train employees to recognize when their fellow employees are in crisis and how to assist them, both individually and through a peer support program.

Research data indicates that at least 18 per 100,000 in law enforcement commit suicide annually. This is higher than the general population ratio of 12 per 100,000. Our department has been touched by employee suicide and the department frequently deal with employees in crisis. The training is designed for front-line employees, supervisors, and management. Captain David Mitchell and Sheriff's Department Chaplin Paul Garcia have attended the train-the-trainer sessions and have received their certification to team together and facilitate this training. The class has been offered three (3) times at the Sheriff's Academy and received excellent reviews each time. The next class is scheduled for Thursday, March 5, 2015 at the Dallas Sheriff's Academy. The training is an eight (8) hour course and all employees are encouraged to attend. To sign up contact the Sheriff's Academy for instructions.
