

Don't wait till it's too late — get money back from your FSA

Are you eligible for a Flexible Spending Account (FSA) reimbursement? If you incurred an eligible expense in 2022, you have until July 10, 2023, to submit a claim. After that, 2022 funds in excess of \$570 will be lost — so be sure to use them while you can.

Plan your FSA spending

Your FSA funds may be used for qualified medical costs like copays and deductibles, prescriptions and some over-the-counter medicines, dependent care and more.

Go to **myuhc.com**® to check your remaining FSA balance and submit claims for 2022 eligible expenses before July 10, 2023.
