

**Statement from Dallas County Judge Clay Jenkins on the
Affordable Care Act Open Enrollment**

**For Immediate Release
October 27, 2015**

“Open enrollment begins on November 1 and we are excited to be working with Department of Health and Human Services Secretary Sylvia Burwell and her team to cover more North Texans! The broad coalition to help North Texans gain coverage stands in stark contrast to our state leaders’ stubborn refusal to accept the Medicaid Expansion that would cover over 200,000 Dallas County citizens and the recent announcement Texas will drop Planned Parenthood from the state's Medicaid program.”
