

TRANSPORTATION PUBLIC MEETING

Cotton Belt Regional Passenger Rail Update

Transit recommendations from the Mobility 2035 transportation plan for the North Central Texas region included regional rail service from southwest Fort Worth to Plano. NCTCOG staff will provide background information on the Cotton Belt passenger rail project that will extend from the Dallas Fort Worth International Airport to Plano as well as an overview of the innovative financing process essential to the delivery of the project.

Other Information to Be Highlighted: Regional Smoking Vehicle Program (RSVP) Celebrates 10-Year Anniversary

To help improve air quality in our region, the RSVP has allowed North Central Texans to anonymously report vehicle emitting visible smoke and pollution since 2007. We provide educational material and information on possible financial assistance to repair and replace the vehicle. Learn more at www.smokingvehicle.net.

Live stream available and video recording
