Student Health

Date: _____

Dear Parent or Guardian of: _____

Your student has one or more immunizations due. A current immunization record must be presented before your child can attend classes in the fall.

Your prompt attention in providing the school with this record will prevent a delay in attending classes on the first day of school.

Immunizations are offered for a minimal charge at the clinics listed below. A parent or guardian must accompany any child under 18 years of age. Please take your immunization records to the clinic.

Sincerely,

School Nurse

Phone
