DCHHS to hold off-site back-to-school immunization clinic

Dallas County Health and Human Services will be offering vaccinations for schoolchildren July 16 during a clinic to be held off-site.

The clinic is scheduled from 9 a.m. to 1 p.m. at the Antioch Fellowship Missionary Baptist Church, 7550 South Hampton Road, in Dallas, where Dr. Karry D. Wesley is the senior pastor.

Immunizations will be offered free of charge. Parents will need to bring their child's immunization record.

This event will mark the second year in a row that DCHHS and Antioch have partnered to host a school-related immunizations clinic.

“Once again, Pastor Wesley and his church have opened their doors to serve the community,” said DCHHS Director Zachary Thompson. “Pastor Wesley and his church should be commended for their help in making this additional vaccination opportunity available for families whose children need these immunizations for school.”

Immunizations are also given at each of the DCHHS clinic locations from 8 a.m. to 4 p.m. Monday–Friday. The immunization clinic, located in the DCHHS building on the first floor, is open until 6 p.m. on Wednesdays.

Clinic locations include: 2377 N. Stemmons Freeway, Room 159 in Dallas; 3312 N. Buckner Boulevard, Suite 200 in Dallas; 1113 E. Jefferson Boulevard, Suite 200 in Dallas; 8202 Spring Valley Road, Suite 200 in Dallas; 440 South Nursery Road, in Irving and 2774 Valwood Parkway in Farmers Branch.

Appointments aren't necessary. The cost is \$10 for the child's first visit and \$5 for returning patients. Waivers are given to families in need.
