

October 27, 2009

**Addendum No. 2
Bid No. 2010-014-4736
Annual Contract for Road and Highway Building Materials**

Whereas, Bid Specifications, Page 12, Item 1.35, is hereby amended to read as follows:

This requirement only applies to entities that requires the awarded Contractor to furnish and install the requested product: When requested to do so by the County and/or other entities using this contract, the awarded Contractor shall be responsible to provide a Contractor truck and operator at the site of Work to spread or transfer the asphalt material in accordance with the requirements of the County and/or other entities. The rate quoted shall be considered full compensation for all costs to Contractor including transportation from portal to portal and for the spreading or transferring of asphalt material at the site of Work in accordance with the requirements of the County and/or other entities.

Whereas, Bid Specifications, Page 12, Item 1.36, is hereby amended to read as follows:

All asphalt shall be subject to laboratory testing. Any asphalt failing laboratory testing shall be removed and replaced with test approved materials at the vendor's expense.

Whereas, Bid Specifications, Page 13, Item 2.2 Dense-Graded Hot-Mix Asphalt (Method), is hereby amended to read as follows:

Material as described under items 2.1 through 2.6, 2.9 and 2.10 of the bid proposal documents must met and/or exceed specification requirements as stated in the latest TXDOT Standard Specifications for Construction of Highways Street and Bridges, item 340.

All bidders must submit with their bid proposal detail specifications on the mixture design type for Item 340, Type B and D. The detail mixture design type specifications shall include but not be limited to the following information:

- The combined aggregate gradation, source, specific gravity, and percent of each material used;
- Results of all applicable tests;
- The mixing and molding temperatures;
- The signature of the Level II person or persons who performed the design;
- The date the mixture design was performed; and
- A unique identification number for the mixture design

Except as provided herein/above, all other specification requirements of the original bid referenced shall remain unchanged in and full force and effect. This addendum should be signed and returned with your proposal package on or before Monday, November 2, 2009; 2:00 P.M., CST

This addendum is hereby acknowledged, understood and considered in our proposal.
