The Dallas County Tax Office cordially informs all Dallas County property owners that the 2014 Property Tax Statements are available electronically via email. To easily access your statements and enroll in eStatements, go to [www.dallascounty.org/tax](http://www.dallascounty.org/tax), click on the “**Property Tax Information**” tab on the left side of the page, followed by the “**Property Tax Lookup/Payment Application**” tab to look up your accounts. It’s a simple and convenient process at just two clicks.

Tax Assessor/Collector John R. Ames stated, “The Dallas County Tax Office is always seeking ways to improve efficiencies and to make paying property taxes more convenient for our taxpayers. Chief among these improvements is providing property tax statements via email as soon as they are available, thus providing taxpayers as much opportunity as possible to plan their payments.”

The process is quite user-friendly, and best of all it is totally free of charge. As an added bonus, enrolling in eStatements is environmentally friendly and promotes the conservation of our valuable natural resources. Convenience is further optimized with the ability to pay property taxes on-line 24 hours a day and 7 days a week via credit cards, debit cards and/or eChecks. The deadline to enroll to receive the 2014 Property Tax Statement via email is **September 15, 2014**.

Mr. Ames continued, “As always, the Dallas County Tax Office’s Customer Care Center will continue to be available to assist taxpayers with questions regarding property taxes, motor vehicle registrations and title concerns. We welcome taxpayer inquiries and look forward to serving your needs.”

Live and friendly Dallas County Tax Office Customer Care personnel are waiting to take taxpayer calls Monday through Friday, from 8:00 a.m. until 4:30 p.m., at 214-653-7811. Additional information regarding property tax and/or motor vehicle registrations, including Tax Office locations and hours of operation, can be found at [www.dallascounty.org/tax](http://www.dallascounty.org/tax).
