EXECUTIVE SUMMARY

A physical inventory of capital property assigned to the County Clerk was performed on March 6, 2024 and March 7, 2024. The review revealed no significant observations.

Summary of Significant Observations:

- None identified.

Repeat Observations from Previous Audits:

- None identified.

Only those weaknesses which have come to our attention as a result of the audit have been reported. It is the responsibility of the department management to establish and maintain effective internal control over compliance with the requirement of laws, regulations, and contracts applicable to the department.

INTRODUCTION

Dallas County Auditor's Office mission is to provide responsible, progressive leadership by accomplishing the following:

- Comply with applicable laws and regulations.
- Safeguard and monitor the assets of the County utilizing sound fiscal policies.
- Assess risk and establish and administer adequate internal controls.
- Accurately record and report financial transactions of the County.
- Ensure accurate and timely processing of amounts due to County employees and vendors.
- Set an example of honesty, fairness and professionalism for Dallas County government.
- Provide services with integrity.
- Work in partnership with all departments to resolve all issues of the County.
- Strive to utilize the latest efficient and effective technology in the performance of tasks.
- Provide technical support and training in the development, implementation, and maintenance of information systems.
- Hold ourselves accountable to the citizens of the County at all times.
- Be responsive to the elected officials and department heads of Dallas County.

The objectives of this audit are to:

1. Ensure compliance with statutory requirements.
2. Evaluate internal controls.
3. Verification of accuracy and completeness of reporting.
4. Review controls over safeguarding of assets.

This audit covers property that was assigned to the department as of March 1, 2024.

The audit procedures may include interviews with key process owners, observation of departmental processes, physical count of a sample of property items valued \$5,000 or more, and data analysis and sample testing of computer property items valued less than \$5,000. The main system used may also be reviewed and incorporated as part of the testing of transactions.

DETAILS

The County Clerk Office Inventory Policy and Procedures document and responses to an internal control questionnaire were reviewed. We physically inspected all six capital asset items assigned to the department. The review identified no findings.
