Only those weaknesses which have come to our attention as a result of the audit have been reported. It is the responsibility of the department management to establish and maintain effective internal control over compliance with the requirement of laws, regulations, and contracts applicable to the department.

INTRODUCTION

Dallas County Auditor's Office mission is to provide responsible, progressive leadership by accomplishing the following:

- Comply with applicable laws and regulations
- Safeguard and monitor the assets of the County utilizing sound fiscal policies
- Assess risk and establish and administer adequate internal controls
- Accurately record and report financial transactions of the County
- Ensure accurate and timely processing of amounts due to County employees and vendors
- Set an example of honesty, fairness and professionalism for Dallas County government
- Provide services with integrity
- Work in partnership with all departments to resolve all issues of the County
- Strive to utilize the latest efficient and effective technology in the performance of tasks
- Provide technical support and training in the development, implementation, and maintenance of information systems
- Hold ourselves accountable to the citizens of the County at all times
- Be responsive to the elected officials and department heads of Dallas County

The objectives of this audit are to:

1. Ensure compliance with statutory requirements
2. Evaluate internal controls
3. Verification of accuracy and completeness of reporting
4. Review controls over safeguarding of assets

This audit covered the period of October 1, 2021 through September 30, 2022

The audit procedures will include interviews with key process owners, observation of transactions processing, data analysis, and sample testing of transactions. The main system used will also be reviewed and incorporated as part of the testing of transactions.

DETAILS

Inventory Review

A review of five items purchased with Federal Forfeiture funds revealed one item totaling \$1,366.40 could not be located during inventory. Capital and non-capital property should be tracked according to UGMS 2 CFR Section 200.313 and property should be maintained according to Dallas County Code Chapter 90 Article III. A lack of supervisory review and improper record-keeping of inventory has resulted in incomplete records of forfeiture equipment.

Recommendation

Inventory Review
Management should:

- Periodically conduct physical inventory of forfeiture equipment.
- Update records to track changes or maintenance of forfeiture equipment.

Management Action Plan

Management will periodically conduct physical inventory of forfeiture equipment. Management will keep record of any maintenance of any forfeiture equipment and update records of any changes.

Auditors Response
