U.S. Census Bureau  
Census 2020

Participation in the 2020 Census is important for many reasons. Even a 1% undercount in Dallas County would result in a loss of more than \$40 million a year in federal funding for social services, new roads and schools, and where to locate job-training centers.

## 2020 Point-In-Time Count

Once a year, along with communities across the country, we count our homeless friends. The Point in Time Count, a requirement under Federal Law, helps communities understand the extent of homelessness, changing trends, and the measure of their success in making homelessness rare, brief and nonrecurring. District 1 is always happy to lend ourselves to this effort.

## District 1 Welcomes Martha Rodriguez to the team

Ms. Rodriguez comes to District 1 from the YMCA where she worked as a Program Manager of School-Age Services. She will serve as Commissioner Daniel's new office manager.
