

Resolution

ORDER NO: 2014-0909

DATE: July 8, 2014

STATE OF TEXAS §

COUNTY OF DALLAS §

BE IT REMEMBERED, at a regular meeting of the Commissioners Court of Dallas County, Texas, held on this, the 8th day of July, 2014, on a motion made by Dr. Theresa M. Daniel, Commissioner of District #1, and seconded by John Wiley Price, Commissioner of District #3, the following Resolution was adopted:

WHEREAS, the Texas Association of Governmental Information Technology Managers, TAGITM, is an information systems professional organization that provides a forum for generating ideas, sharing problems, and developing solutions;

WHEREAS, the association's main objective is to enable cities, counties, schools and appraisal districts within Texas to realize the full potential of automation benefits;

WHEREAS, during the annual conference in April 2014, the association selected Dallas County IT Services to receive the "TAGITM Excellence Award" for their project "The Prison Rape Elimination Act for Juveniles and Adults";

WHEREAS, the IT applications team consisted of Candace Pierce, Michelle Wilson, Brian Stair, Janice Nelson, and was led by Keff Johnson;

WHEREAS, the Dallas County IT Services, Juvenile and Sheriff Departments worked together to develop the PREA Application. Requirements were provided to Dallas County IT by the stakeholder. IT Services was able to design, develop and then deploy the CRM application to address all of the needs, from tracking case incidents to detailed reporting needs;

WHEREAS, the CRM application allows the departments to track the following: PREA Cases, Perpetrators, Victims, as well as the outcome of the case. In addition, along with the Reporting requirements provided by the Departments, users have the ability to do Adhoc reporting with CRM;

WHEREAS, the Adult PREA application has been integrated with the Dallas County Jail Adult Information System (AIS). This integration provides the Sheriff's department with additional functionality, including: tracking initial information of inmates, and extracting jail incidents from AIS to allow the PREA Coordinator to review cases and identify potential "sexual incidents".

IT IS THEREFORE ORDERED, that on behalf of the Dallas County Commissioner Court and the residents of Dallas County, who are the beneficiaries of the IT Services project, we congratulate the Dallas County Information Technology Department.

DONE IN OPEN COURT this, the 8th day of July, 2014.

Dr. Theresa Daniel
Commissioner, District 1

Clay Lewis Jenkins, County Judge
