Memories in the Heart

*Feel no guilt in laughter, she knows how much you care
Feel no sorrow in a smile that she's not here to share
You cannot grieve forever, she would not want you to
She'd hope that you can carry on, the way you always do
So talk about the good times and the ways you showed you cared
The days you spent together, all the happiness you shared
Let memories surround you.*

*A word someone may say
Will suddenly recapture a time, an hour, a day
That brings her back as clearly as though she was still here
And fills you with the feelings that she is always near
For if you keep these moments, you will never be apart
And she will live forever locked safe within your heart.*

*Bonnie was one of those people who was always ready to be helpful, to pitch in to finish the current project. It was a comfort to know that if you needed something done, and done right, that she would be there.
Bonnie will certainly be missed but not forgotten.*
