## SWORN IN AS YOUR NEW COUNTY COMMISSIONER

Happy New Year!

It was my pleasure to be sworn in to office at midnight on January 1st. I am thankful for the opportunity to represent District 2 on the Dallas County Commissioner's Court.

## HIT THE GROUND RUNNING

Even though my tenure as your County Commissioner began on January 1, my team and I have been busy preparing for the responsibilities this office entails.

I've had the opportunity to visit with each department in County government, and am looking forward to working with them to make Dallas County the best it can be.

Hispanic/Latino Professionals Association (HLPAs) named Dallas County one of America's Best Places to Work for Hispanics/Latinos in 2022!

## A BIG THANKS GOES OUT TO...

We extend our appreciation to the previous Commissioner District 2 staff for making sure the office transition occurred as smoothly as possible. We are thankful for all your insights and expertise!

The painting (right) was commissioned for the remodeled office space, and we are proud to hang it in the Records Building office. Make sure you stop by and see it if you are in the area.

## MEETING WITH RESIDENTS

I attended a Northwood Estates HOA community meeting in December. It was great to listen to everyone share their neighborhood goals with me and Dallas County staff. Thank you to everyone who attended!
