HAPPY THANKSGIVING

As we approach another Thanksgiving celebration, I reflect on my many blessings. One of which is the support of my constituents and colleagues. Thank you for entrusting me to bring much needed change to your neighborhoods. I could not have come this far without you. I am grateful for the privilege to serve you.

While we may find ourselves overwhelmed during this time of year, I hope you make time to create memories with the most important ones in your lives, your family. Have a wonderful holiday season!

Wildlife Parkway Groundbreaking Ceremony in Grand Prairie

On October 25, 2022, elected officials, and community members joined me in the groundbreaking of the Wildlife Parkway. A 55.9M project in partnership with the City of Grand Prairie, the Regional Transportation Council and Dallas County. This project will include 2 bridges, a 12 ft foot wide trail and sidewalks that will connect with SH 161 and Belt line. This improved roadway provides a critical new route for fire and police response between two busy thoroughfares. The project provides regional connectivity, including the regional bike and hike trail from Dallas to Fort Worth. We are ready to go!

Dallas County DWI Press Conference & Holiday Campaign

The Dallas County DWI Taskforce will be hosting their annual DWI Press Conference in an effort to bring awareness and prevent DWI incidents always, but especially more during the holiday season, as it is then when more fatalities occur due to drunk drivers. Please come out and support this effort.

Dallas & Grand Prairie Dia De Los Muertos Parades & Festivals

I was very honored to participate as the Grand Marshall for this year's City of Dallas Día De Los Muertos Parade & Festival as well as a judge for the Altar contest in Grand Prairie. It makes me very happy to see how this beautiful and meaningful Mexican tradition, which allows us to honor and remember our deceased loved ones, is quickly expanding and graciously becoming a tradition to all the younger generations as well as members of all ethnic groups.
