- NOTICE-Commissioners Court in Recess in July
- Consolidation Plan For Improved Dallas County Buildings For The Next 50 Years
- \$403,017 For The City Of Cockrell Hill
- The Courts Caf 

### Brother Bill's Helping Hand

I want to give special thanks and recognition to Brother Bill's Helping Hand for going above and beyond the call of duty and helping an elder constituent not only with plumbing for a water leak but also assisting her with her water bill. It is compassionate organizations like you who make a difference in our community.

## NOTICE

The Dallas County Commissioner's Court is in recess through the month of July. There will not be any Commissioner's Court Sessions held this month. They will resume on Tuesday, August 1st.

### Carrollton Constituent Looking Out for R&B 4 Crew

As Texas endures a very hot Summer, I want to commend my R&B 4 Crew for continuing to work hard while ensuring safety, avoiding long periods of sun exposure and staying hydrated. Additionally, I want to give special thanks to Ms. Beneranda Malone, a resident of Carrollton, who prepared a large pot of home made noodles & clams and several pitchers of homemade peach juice for the whole crew as she witnessed their hard work in high temperatures. Ms. Malone, it is people like you who restore our faith in people. We are proud to serve constituents like you.

# Consolidation Plan for Improved Dallas County Buildings For The Next 50 Years

As Chair of the Dallas County Facilities Management Committee, we have been consolidating inefficient, aged single-buildings into community-focused government centers, making it a top priority for Dallas County. The consolidation plan continues to improve operations and has resulted in significant cost savings. Upgrading the old County buildings with energy-efficient HVAC systems, smart lighting, and water-saving measures will further our sustainability and reduce the County's carbon footprint. The two new projects below are projected to have high minority-owned small business participation in the design and construction of the facilities.

## Project's Facts:

### Under Construction

Mesquite Government Center (2024)

52,000 square feet  
500 S. Galloway, Mesquite

38,000 square feet  
9621 Lake June, Dallas

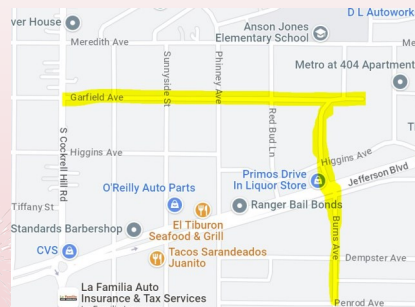

### SERVICES OFFERED:

- Passport
- Constable
- Multipurpose and Community Rooms
- Commissioner Satellite
- Veterans
- JP

## \$403,017 For the City of Cockrell Hill

Dallas County will receive \$2,201,138 in Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD). Staff has been working with the five cities (Cockrell Hill, Glenn Heights, Hutchins, Sachse, and Seagoville) eligible to receive funding to determine which projects and activities should be undertaken with the available funds. The City of Cockrell Hill will be granted \$403,017 for the continuation of the Burns/Garfield Waterline Improvements Project. This project will improve the quality of life for Cockrell Hill residents by ensuring they have reliable, clean drinking water.
