October 2024 Newsletter

I am very proud to share that I recently allocated funds for several projects in District 4. I am positive that many residents will greatly benefit from the new upgrades around their neighborhoods and the opportunity to live a better quality of life. The following funding agreements received approval:

The City of Cockrell Hill

Received \$200,000 to support the Kerfoot Park redevelopment project with a new children's playground.

The City of Dallas

Dallas College Mountain View Campus

The Mountain View Campus received \$170,000 for the ESL Program Support and Expansion. Deliverables include recruiting and enrolling at least 200 unduplicated students, providing tuition and other financial support for enrollment in at least 300 courses, and offering emergency aid to at least 50 students.

The City of Grand Prairie

Received \$450,000 for the Redevelopment of Sycamore Park and \$533,573.27 for the completion of construction of Camp Widsom Road to Ragle, Inc.

City of Irving

Level Pathways received \$180,000 for the development of a transitional housing and support services program for homeless youth.

Grand Opening of The Oak Lawn Place

The Oak Lawn Place celebrated their grand opening bringing much needed affordable housing in an environment that supports our 55 and older community members. I am glad that I was able to allocate \$5 million dollars making Dallas County a partner in this very needed project. Kudos to Cece Cox, Director of The Resource Center, and partners for this important development in our community.
