I am delighted to share that we celebrated the groundbreaking of Alice Court, a community of 10 single-family homes that will be sold to families who earn less than 80% of the median income in Grand Prairie. I proudly allocated \$1.1M in funds for this project to make the American dream of homeownership affordable. Thanks to Grand Prairie Mayor Ron Jensen and City Council for this partnership to expand affordable housing options in our community.

Dallas County

40th Anniversary

The Dallas County DWI Taskforce is celebrating its 40th anniversary this year. We have come a long way as a taskforce, bringing awareness and education about the dangers of drunk driving. However, there is still so much to do. As a taskforce, we celebrate our partnerships and efforts to eradicate this crime, but we cannot celebrate the fact that year after year it continues to take lives and affect many families. I want to take this opportunity to thank each and every member of the Dallas County DWI Taskforce for their outstanding service: MADD; AAATexas; 24HourDallas; Methodist Dallas Medical Center; Parkland Health; Recovery Resource Council; TABC; the Dallas County District Attorney's Office and Community Supervision, Corrections and Sheriff's Depts.; the Police Departments of Cedar Hill, Grand Prairie, Irving and Dallas; and many others.

Thank you and congratulations!!

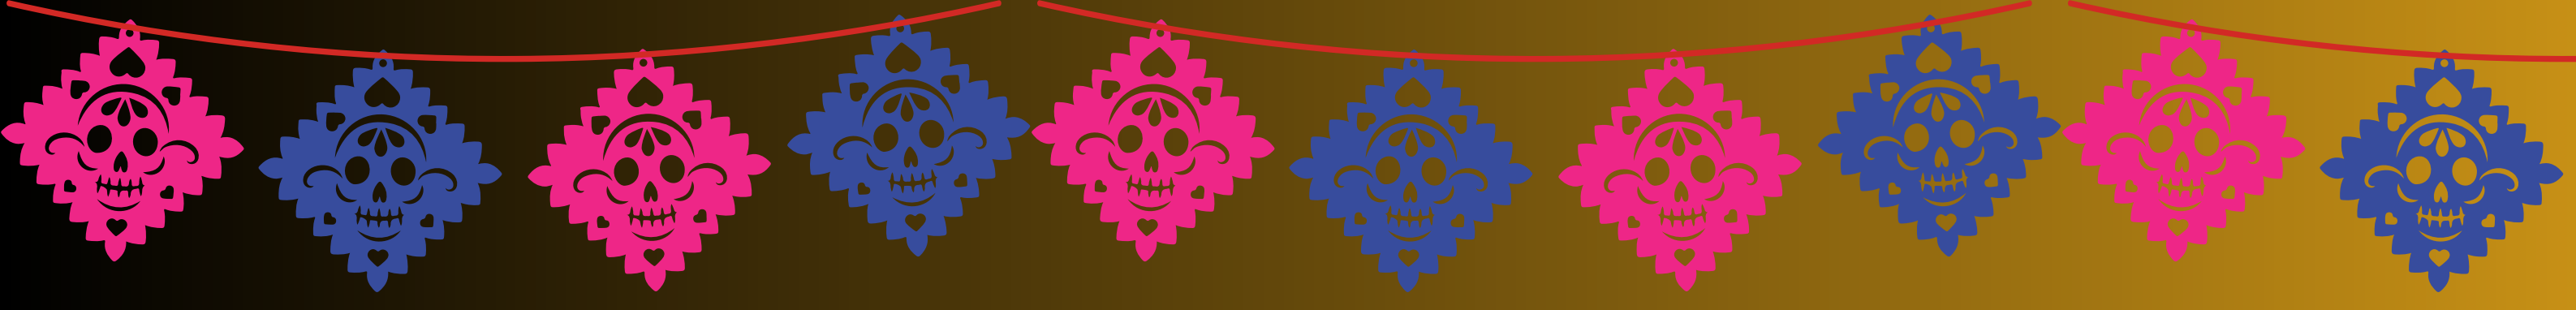

Please join us at our 14th Annual Dallas County DWI Press Conference

Our main speaker is a DWI-accident victim who will share her story about the consequences of drunk driving. We will encourage the public to be safe and make smart choices as we celebrate during the holiday season. We will also highlight the ongoing partnership with Lyft to provide discount codes and prevent drunk driving.

Be on the lookout for these QR codes offered at different businesses around the County to get \$5 off your shared ride.
