ALERT: POTENTIAL FORUM SHOPPER

RE: All Texas Family Courts

In an effort to maintain the integrity of the Family Law Bar, I am alerting you all to a potential scheme to forum shop by taking advantage of a Standing Recusal Order I have issued against a particular attorney. The attorney who hatched the scheme, Theresa Bui Creevy, posted on social media the desire to hire the attorney subject to the recusal order to move her cases out of my Court. Such behavior, if allowed, undermines the litigation process by unfairly allowing a party to effectively control which judges will not hear their cases. Even if said in jest, the comment is inappropriate to suggest to others that doing so is plausible or acceptable. We have a duty to ensure fairness to all litigants and not allow one side to affect the outcome by forum shopping.
