

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT A

Rules for Retailers

General Rules for Retailers.

1. Employers shall implement an organized line system where employees, customers, and other persons are not less than six feet apart at all times;
2. To the greatest extent practicable, designate shopping times for at risk populations (seniors, pregnant people, and people with underlying health conditions);
3. To the greatest extent possible, implement a system to restrict the number of customers who are physically present at an Essential Retailer so that six foot spacing may be maintained;
4. Employers shall implement purchase limits on high-demand items (toilet paper, soap, hand sanitizer). These purchase limits do not apply to a government organization or essential business;
5. To the greatest extent possible, employers shall offer pick up services or delivery services of grocery items and other essential supplies; and
6. Self-service food stations are prohibited. Self-service stations are defined as items that customers use common serving utensils to serve themselves, including but not limited to, salad bars, hot dog stands, self-service bulk food items, and other related food items. This section does not apply to self-checkout stations, so long as the checkout stations are cleaned at least every 30 minutes.
7. Rest breaks of at least fifteen (15) minutes for every four (4) hours worked must be provided so employees may follow hygiene guidelines;
8. There shall be no adverse action taken against an employee who has, due to possible exposure to coronavirus, (1) been quarantined or advised to self-quarantine; (2) have not reported to work because the employee has a temperature of 100.0 degrees or higher; and (3) requested to use paid sick leave under the employer's policy; and
9. Employers must designate both a member of management as the COVID-19 Safety Monitor and a senior hourly worker (that is not a member of management) as the COVID-19 Vice Safety Monitor at each store to have the authority to work together to enforce these rules. Employers in unionized workplaces should consult with the employee's representatives on this designation.

Safety Rules for All Retailers:

- Retailers shall implement a system whereby, to the extent possible, all employees take their temperature at home. Upon arriving at work, workers shall be screened for the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any employee who meets any of these criteria must be sent home;
- All employees must be trained on environmental cleaning and disinfection, hand hygiene, and respiratory etiquette;

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

- Employers shall make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available to employees;
- Employees must wash or disinfect hands upon entering the retail establishment, after any interaction with other employees or customers, and after the use of any shared items;
- Retailers shall regularly and frequently clean and disinfect any regularly touched surfaces, such as restrooms, doorknobs, tables, and chairs;
- To the greatest extent possible, all employees must wear cloth face coverings over the nose and mouth;
- To the greatest extent possible, all employees must maintain at least 6 feet separation from one another and other individuals at all times; and
- To the greatest extent possible, contactless payment should be utilized.
- To the greatest extent possible, retailers should dedicate a certain period of time each day for only at-risk customers or deliver purchased goods to vehicles to reduce the need for at-risk customers to enter the store; and
- To the greatest extent possible, retailers shall monitor what items customers touch and clean or disinfect those items when the customer leaves the retail establishment.

Safety Rules for Reopened Retailers, Retail-to-Go and Delivery Service:

- All payments shall be done over the phone or internet if possible, and contact shall be minimized if remote payment is not available;
- For Retail-to-Go services, purchased items shall be delivered by the employee to the backseat or trunk of the customer's vehicle whenever possible to minimize physical contact with the customer;
- Employees must wash or sanitize their hands after each interaction with a customer, and whenever possible, must disinfect any item that came into contact with the customer; and
- Purchased items shall be delivered to the customer's residence or business. The employee or third-party carrier delivering the item may not enter the customer's house or business.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT B Rules for Restaurants

General Rules for All Restaurants:

- Restaurants shall implement a system whereby, to the extent possible, all employees take their temperature at home. Upon arriving at work, workers shall be screened for the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any employee who meets any of these criteria must be sent home;
- Employees must wash or disinfect hands upon entering the restaurant, after any interaction with other employees or customers, and after the use of any shared items;
- To the greatest extent possible, all employees must wear cloth face coverings over the nose and mouth;
- To the greatest extent possible, contactless payment should be utilized;
- Employers shall make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available to employees;
- To the greatest extent possible, employees maintain at least 6 feet separation from other individuals;
- Restaurants shall regularly and frequently clean and disinfect any regularly touched surfaces, such as restrooms, doorknobs, tables, and chairs.

Safety Rules for Restaurants Providing Dine-In Service:

- Restaurants can only operate at up to 25 percent of the total listed occupancy of the restaurant;
- Valet services are prohibited except for vehicles with placards or plates for disabled parking;
- Parties must maintain at least 6 feet distance apart from other parties at all times, including while waiting to be seated in the restaurant;
- Restaurants must make a hand sanitizing station available to customers upon entry to the restaurant;
- Tables of more than 6 people are prohibited;
- Do not leave condiments, silverware, flatware, glassware, or other traditional table top items on an unoccupied table;
- Restaurants shall provide condiments only upon request, and in single use (non-reusable) portions;
- Restaurants shall use disposable menus (new for each patron);
- If a buffet is offered, restaurant employees must serve the food to customers;
- Restaurants shall manage and control access to the restaurant so customers are not congregating in groups; and
- Restaurants shall clean and disinfect the area used for dining after each group of customers depart, including the disinfecting of tables, chairs, stalls, and countertops.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT C

Rules for Movie Theaters

Rules for Movie Theaters:

- Movie theaters can only operate at up to 25 percent of the total listed occupancy of any individual theater for any screening;
- Movie theaters shall implement a system whereby, to the extent possible, all employees take their temperature at home. Upon arriving at work, workers shall be screened for the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any employee who meets any of these criteria must be sent home;
- Employees must wash or disinfect hands upon entering the theater, after any interaction with other employees or customers, and after the use of any shared items;
- To the greatest extent possible, all employees must wear cloth face coverings over the nose and mouth;
- Employers shall make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available to employees;
- To the greatest extent possible, employees maintain at least 6 feet separation from other individuals;
- Movie theaters shall regularly and frequently clean and disinfect any regularly touched surfaces, such as restrooms, doorknobs, tables, and chairs.
- To the greatest extent possible, movie theaters shall utilize remote ticketing options;
- Movie theaters shall keep at least two empty seats, or six feet separation, between parties in any row, except as follows:
 - Two or more members of the same household can sit adjacent to one another, with two seats, or six feet separation, empty on either side; and
 - Two individuals who are not members of the same household but who are attending together can sit adjacent to one another, with two seats, or six feet separation, empty on either side.
- Movie theaters must alternate rows between customers, leaving every other row empty;
- Movie theaters must disinfect seats and frequently touched areas between screenings;
- Movie theaters shall not leave condiments, silverware, flatware, glassware, or other traditional table top items on an unoccupied table;
- Movie theaters must provide condiments only upon request, and in single use (non-reusable) portions;
- Employees must clean and disinfect the area used for dining after each group of customers depart the theater;
- Movie theaters must use disposable menus (new for each patron);

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

- If the theater allows customers to write down their food orders inside the theater, the theater must provide take-home pencils and notepads that cannot be used by other customers;
- Employees must sanitize or wash hands between interactions with customers;
- Employees must disinfect any items that come into contact with customers; and
- To the greatest extent possible, movie theaters must use contactless payment methods.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT D

Rules for Shopping Malls

Rules for Shopping Malls:

- Shopping malls can only operate at up to 25 percent of the total listed occupancy of the shopping mall;
- Food court dining areas, play areas, and interactive displays and settings are prohibited;
- Shopping malls shall implement a system whereby, to the extent possible, all employees take their temperature at home. Upon arriving at work, workers shall be screened for the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any employee who meets any of these criteria must be sent home;
- Employees must wash or disinfect hands upon entering the theater, after any interaction with other employees or customers, and after the use of any shared items;
- To the greatest extent possible, all employees must wear cloth face coverings over the nose and mouth;
- Employers shall make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available to employees;
- To the greatest extent possible, employees maintain at least 6 feet separation from other individuals; and
- Shopping malls shall regularly and frequently clean and disinfect any regularly touched surfaces, such as escalators and elevators, restrooms, doorknobs, tables, and chairs.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT E

Rules for Museums and Libraries

Rules for Museums and Libraries:

- Museums and libraries can only operate at up to 25 percent of the total listed occupancy;
- Any components of museums or libraries that have interactive functions or exhibits, including child play areas;
- Museums and libraries shall implement a system whereby, to the extent possible, all employees take their temperature at home. Upon arriving at work, workers shall be screened for the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any employee who meets any of these criteria must be sent home;
- Employees must wash or disinfect hands upon entering the theater, after any interaction with other employees or customers, and after the use of any shared items;
- To the greatest extent possible, all employees must wear cloth face coverings over the nose and mouth;
- Employers shall make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available to employees;
- To the greatest extent possible, employees maintain at least 6 feet separation from other individuals; and
- Museums and libraries shall regularly and frequently clean and disinfect any regularly touched surfaces, such as restrooms, doorknobs, tables, and chairs.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT F

Sole Proprietors

Rules for Sole Proprietors:

- A sole proprietor shall take his or her temperature at home and self-screen before coming into the business for any of the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any sole proprietor who meets any of these criteria must stay home;
- Sole proprietors must wash or disinfect their hands upon entering the business and after any interaction with other individuals or customers;
- To the greatest extent possible, sole proprietors must maintain at least 6 feet separation from other individuals; and
- Sole proprietors must disinfect any items that come into contact with customers.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT G

Rules for Golf Courses

Rules for Golf Courses:

- Golf courses shall implement a system whereby, to the extent possible, all employees take their temperature at home. Upon arriving at work, workers shall be screened for the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any employee who meets any of these criteria must be sent home;
- Employees must wash or disinfect hands upon entering the theater, after any interaction with other employees or customers, and after the use of any shared items;
- To the greatest extent possible, all employees must wear cloth face coverings over the nose and mouth;
- Employers shall make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available to employees;
- To the greatest extent possible, employees maintain at least 6 feet separation from other individuals;
- Golf courses shall regularly and frequently clean and disinfect any regularly touched surfaces, such as restrooms, doorknobs, tables, and chairs;
- Golf courses must clean and sanitize golf carts and push carts between uses;
- Golf courses must limit golf cart use to one individual per golf cart, except for members of the same household;
- Golf courses must clean and disinfect driving range golf balls between use; and
- Golf courses must ensure separation of at least 6 feet between golfers on the driving range.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT H

Rules for the Construction Industry

Rules for Construction Industry:

1. All workers and contractors (hereafter referred to as “workers”) must take their temperature at their residence. If a worker has a temperature above 100.0 degrees Fahrenheit, then they are prohibited from going to work and must remain at their residence;
2. To the greatest extent possible, implement a system whereby supervisors must check the temperature of all workers and contractors with a forehead thermometer before the worker begins work. If a worker or contractor has a temperature above 100.0 degrees Fahrenheit, then they are to be sent home immediately;
3. To the greatest extent possible, shift work must be implemented such that each shift shall have no more than fifty percent (50%) of the workers who were on shift on March 16, 2020. Once assigned to a shift, workers shall not change from one shift to another;
4. To the greatest extent possible, limit crossover of subcontractors;
5. Gatherings during meals or breaks are prohibited;
6. Workers must keep a 6 foot distance between people at all times, unless the work being performed requires multiple individuals for the safety of the workers;
7. Workers must not use a common water cooler. Employers shall provide individual water bottles or instruct workers to bring their own;
8. Employers must allow non-essential personnel to work from home when possible;
9. Employers must provide soap and water and hand sanitizer in the workplace, including all restrooms. Ensure that adequate supplies are maintained;
10. If running water is available at the site, workers must wash their hands for at least twenty (20) seconds before beginning work, when they remove gloves, and before and after the use of shared items such as tools or multi-user devices, before and after any meal or restroom breaks, and when their shift or work time ends.
11. Rest breaks of at least fifteen (15) minutes for every four (4) hours worked must be provided so workers may follow hygiene guidelines;
12. Employers must provide one (1) working flushing toilet for every fifteen (15) workers on site or one (1) outdoor portable toilet for every 10 workers on site;
13. There shall be no adverse action taken against a worker who has, due to possible exposure to coronavirus, (1) been quarantined or advised to self-quarantine; (2) have not reported to work because the worker has a temperature of 100.0 degrees or higher; and (3) requested to use paid sick leave under the employer’s policy; and
14. Employers must designate a COVID-19 safety monitor on each site who has the authority to enforce these rules;

EXHIBIT I

Rules for Manufacturers and Distributors

Rules for Manufacturers and Distributors:

1. All employees must take their temperature at their residence before going to work at a manufacturing or distribution center. If a worker has a temperature above 100.0 degrees Fahrenheit, then they are prohibited from going to work and must remain at their residence;
2. To the greatest extent possible and as equipment becomes available, employers must implement a system whereby supervisors check the temperature of all employees before the employee begins work. If an employee has a temperature above 100.0 degrees Fahrenheit, then they are not permitted to work and must be sent home immediately;
3. Gatherings during meals or breaks are prohibited;
4. Employees must keep a six (6) foot distance between people at all times, unless the work being performed requires multiple individuals for the safety of the employees;
5. To the extent practicable, employers shall adjust shift timing to allow for greater physical distance between employees;
6. Employers must allow non-essential personnel to work from home when possible;
7. Employers must provide soap and water, or hand sanitizer if no soap or water is available, in the workplace, including all restrooms. Employers shall ensure that adequate supplies of soap and hand sanitizer are maintained;
8. Employees must wash their hands for at least twenty (20) seconds before beginning work, before any food preparation, before and after the use of shared items, after any meal or restroom breaks, and immediately prior to departing the work site.
9. Employers shall discourage employees from sharing work tools when possible.
10. Rest breaks of at least fifteen (15) minutes for every four (4) hours worked must be provided so employees may follow hygiene guidelines;
11. There shall be no adverse action taken against an employee who has, due to possible exposure to coronavirus, (1) been quarantined or advised to self-quarantine; (2) have not reported to work because the worker has a temperature of 100.0 degrees or higher; and (3) requested to use paid sick leave under the employer's policy; and
12. Employers must designate both a member of management as the COVID-19 Safety Monitor and a senior hourly employee (that is not a member of management), or a non-management employee if an hourly employee is not available, as the COVID-19 Vice Safety Monitor at each site to have the authority to work together to enforce these rules. Employers in unionized workplaces should consult with the employee's representatives on this designation.

DALLAS COUNTY STAY SAFE BUSINESS GUIDELINES

EXHIBIT J Rules for Food Preparation and Processing Plants

Rules for Food Preparation and Processing Plants:

- Food preparation and processing plants shall implement a system whereby all employees take their temperature at home and upon arriving at work are screened for the following: new or worsening cough, shortness of breath, sore throat, loss of taste or smell, feeling feverish or an onsite measured temperature greater than or equal to 100.0 degrees Fahrenheit, or known close contact with a person who is lab-confirmed to have COVID-19. Any employee who meets any of these criteria must be sent home;
- Employees must wash or disinfect hands upon entering the plant, after any interaction with other employees, and after the use of any shared items;
- To the greatest extent possible, all employees must wear cloth face coverings over the nose and mouth;
- Food preparation and processing plants shall regularly and frequently clean and disinfect any regularly touched surfaces, such as restrooms, doorknobs, tables, and chairs;
- Remove turnstiles and other physical barriers at the entrance that would be touched by employees one after the other;
- Food preparation and processing plants shall implement a system by which all employees maintain at least 6 feet separation from one another and other individuals, including:
 - Mark out 6 foot distances for workers to stand in while they wait to punch in or create methods for employee time-tracking other than using a common time-clock to minimize workers congregating;
 - Stagger start, break and lunch times;
 - Mark out a 6 foot line in front of supervisor/management desk;
 - No meetings without 6 foot distances between chairs or people;
 - Identify areas where employees congregate – such as locker rooms, donning and doffing areas for PPE, breakrooms, etc. and ensure social distancing is possible in these areas;
 - Restrict specific areas of the plant to individuals who need to be in that area;
 - Consider physical barriers on the line or reduce line speeds so that lines can operate with fewer employees spaced further apart; and
 - Create alternating shifts for different types of work activities, or split plant operations from one shift into two, to create situations in which fewer employees have to interact.

Rules for Financial Institutions

1. Rules for Check Cashing Businesses

- a) All employees must take their temperature at their residence before going to work. If an employee has a temperature above 100.0 degrees Fahrenheit, then they are prohibited from going to work and must remain at their residence;
- b) To the greatest extent possible and as equipment becomes available, employers must implement a system whereby supervisors must check the temperature of all workers and contractors with a forehead thermometer before the worker begins work. If a worker has a temperature above 100.0 degrees Fahrenheit, then they are to be sent home immediately;
- c) Employees must keep a 6 foot distance between people at all times, unless the work being performed requires multiple individuals for the safety of the workers;
- d) Employers shall restrict the number of customers physically present in the store to only those people necessary to complete the transaction as determined by the customer. All other individuals must remain outside the store while the transaction is completed;
- e) Employers must allow non-essential personnel to work from home when possible;
- f) Employers must provide soap and water, or hand sanitizer if no soap or water is available, in the workplace, including all restrooms and food preparation areas. Employers must ensure that adequate supplies are maintained;
- g) Employees must wash their hands for at least twenty (20) seconds before beginning work, before any food preparation, before and after the use of shared items, after any meal or restroom breaks, and immediately prior to the end of the work shift;
- h) Rest breaks of at least fifteen (15) minutes for every four (4) hours worked must be provided so workers may follow hygiene guidelines; and
- i) There shall be no adverse action taken against a worker who has, due to possible exposure to coronavirus, (1) been quarantined or advised to self-quarantine; (2) have not reported to work because the worker has a temperature of 100.0 degrees or higher; and (3) requested to use paid sick leave under the employer's policy.

2. Rules for Pawnshops:

- a) All employees must take their temperature at their residence before going to work. If an employee has a temperature above 100.0 degrees Fahrenheit, then they are prohibited from going to work and must remain at their residence;
- b) To the greatest extent possible and as equipment becomes available, employers must implement a system whereby supervisors must check the temperature of all workers and contractors with a forehead thermometer before the worker begins work. If a worker has a temperature above 100.0 degrees Fahrenheit, then they are to be sent home immediately;
- c) Employees must keep a 6 foot distance between people at all times, unless the work being performed requires multiple individuals for the safety of the workers;

Rules for Common Carriers, Shipper, Delivery Services, and Related Companies

Rules for Common Carriers:

1. All employees must take their temperature at their residence before going to work. If a worker has a temperature above 100.0 degrees Fahrenheit, then they are prohibited from going to work and must remain at their residence;
2. To the greatest extent possible and as equipment becomes available, employers must implement a system whereby supervisors check the temperature of all employees before the employee begins work. If an employee has a temperature above 100.0 degrees Fahrenheit, then they are not permitted to work and must be sent home immediately;
3. Gatherings during meals or breaks are prohibited;
4. Employees must keep a six (6) foot distance between people at all times, unless the work being performed requires multiple individuals for the safety of the employees;
5. To the extent practicable, employers shall adjust shift timing to allow for greater physical distance between employees, including coordination between dispatch and scheduling so that there is no overlap between crews traveling to different locations;
6. Employers must allow non-essential personnel to work from home when possible;
7. Employers must provide soap and water, or hand sanitizer if no soap or water is available, in the workplace, including all restrooms. Employers shall ensure that adequate supplies of soap and hand sanitizer are maintained. Hand sanitizer must be available in each vehicle;
8. Workers must wash their hands for at least twenty (20) seconds before beginning work, before any food preparation, before and after the use of shared items, after any meal or restroom breaks, and immediately prior to the end of the work shift;
9. Employers must ensure that employees use gloves when handling shared tools or equipment (such as dollies, dock plates, and controls) and that employees wash their hands for at least 20 seconds after handling such tools or equipment;
10. To the greatest extent possible, drivers and other personnel should stay in their vehicles while the vehicles are being loaded and unloaded, unless required for employee safety;
11. To the greatest extent possible, receipts, bills of lading, acknowledgements and other such documentation should be electronic so as minimize the need for personnel to physically sign and exchange documents;
12. Rest breaks of at least fifteen (15) minutes for every four (4) hours worked must be provided so workers may follow hygiene guidelines;
13. There shall be no adverse action taken against a worker who has, due to possible exposure to coronavirus, (1) been quarantined or advised to self-quarantine; (2) has not reported to work because the worker has a temperature of 100.0 degrees or higher; and (3) requested to use paid sick leave under the employer's policy; and
