**Statement from Dallas County Judge Clay Jenkins**

“We intentionally modeled the public health guidelines based on the Governor’s recommendations, never imagining he did not want his own guidelines followed. I ask the public to make decisions based on the recommendations of public health professionals: our lives depend on it. You can find recommendations from local public health experts at [www.DallasCountyCOVID.org](http://www.DallasCountyCOVID.org) by downloading *Dallas County COVID-19 Health Guidance for the Public.*”
