Status Update on Fair Park Vaccine Operations for Friday, February 12

DALLAS -- Due to inclement weather, Fair Park will open tomorrow from 2-7pm, weather permitting. We are moving our operations back indoors to the Grand Building and will ONLY be providing second doses to people who were scheduled to receive their second dose at Fair Park on Monday (2/8) through Thursday (2/11). Weather permitting, we will operate again on Sunday to provide vaccines to individuals who were scheduled to receive their second dose on Friday, February 12. Fair Park will be closed due to weather on Saturday (2/13) and Monday (2/15).

Again, if you are due for your second dose on Friday, please do not come to Fair Park tomorrow as you will be turned away. We will accommodate all those who received their first dose at Fair Park and are due for their second dose, but will be focusing our efforts tomorrow on those who were scheduled for Monday (2/8) through Thursday (2/11).

Please enter through Gate 2. We will make every effort to keep individuals comfortable in their vehicle until it's time for their shot. We will have golf carts to transport individuals from their vehicles to the Grand Building.
