530 Fund Balance & Update

The current total balance is \$257,103.31. There are 370 bus passes available. Funds have been utilized for training, incentives, inpatient treatment, transitional housing, and drug testing. The operating total invoiced amount is \$43,424.74, and the current remaining balance is \$141,575.26. The incentives breakdown and all financial information can be found in the 530 Fund Sub-Committee meeting packet. The General Account 120 currently has a balance of \$22,102.58. The Specialty Court Survey that is required to be submitted to receive funds for incentives can be found in the packet.

Drug Testing

Deborah Hill reported that the current balance available for Drug Testing is \$36,110.00. The total line-item budgeted amount was \$44,400.00 of which \$8,290.00 has been invoiced.

Inpatient Treatment & Transitional Housing

The line-item budget for Inpatient Treatment at Salvation Army was \$34,000.00. The amount currently available for this line item is \$26,980.00. Deborah Hill reported that the total amount of transitional housing invoiced is \$7,020.00. The funds available for Transitional Housing are \$16,107.00

Voting Items

Deborah Hill opened the floor to discuss the logistics of court size determination regarding the amount of court team members, court capacity, or a combination of both. Serena McNair stated that in the past, court size was determined by the capacity of participants in the court. The court size was used to determine the allocation of incentives and drug testing for each court. Julie Turnbull mentioned that courts that have a growing number of participants require the court to increase their court staff. She requested that the committee consider using a combination of court capacity and court team members in determining court size and the utilization of state stipends. It was determined that there should be extra-large (150+ participants), large (100 - 149 court participants), and small court size (under 100). Charlene Randolph suggested that the

committee utilize the capacity that is recorded with the Office of the Governor (OOG) for each. If the capacity is changed with the OOG, the court must notify CJD to have the capacity updated on the 530 Specialty Court Roster. Michaela Himes made a motion that the committee vote that the determination of court size be determined by court capacity in which there will be 3 sizes: extra-large (150+ participants), large (149 – 100 participants), and small (under 100 participants), and Julie Turnbull seconded the motion.
