Review/Approval of Minutes

The meeting was called to order by Deborah Hill at 9:01 AM. Presentations from Parkland Correctional Health Impactful MAT Programs and Life Enhancement Services were presented to the committee. The meeting minutes from the March 12, 2025 meeting were reviewed. A motion to approve the minutes was made by Judge Kristin Wade. Michaela Himes seconded the motion. The minutes were approved and accepted.

530 Fund Balance & Update

The current total balance for the 530 fund is \$242,533.17. There are 310 bus passes available. The FY25 Account Credits balance is \$60,624.84, and the current operating remaining balance is \$119,708.38. Deborah Hill reported that the remaining balance for specialty court incentives is \$20,350.00. Serena McNair mentioned that she is in the process of contacting the remaining courts who have not completed the survey required to be eligible to receive funds for incentives. The balance available in Account 120 is \$27,088.39.

Drug Testing

Deborah Hill reported that the current balance available for Drug Testing is \$34,923.85. The total line-item budgeted amount was \$44,400.00 of which \$9,476.15 has been invoiced.

Inpatient Treatment & Transitional Housing

The line-item budget for Inpatient Treatment at Salvation Army was \$34,000.00. The amount currently available for this line item is \$22,552.00. The current funds available for Transitional Housing are \$13,269.00.

TASC Update & Take Aways

Kim Duran announced that AIM court won second place in the Video Contest during the conference. Deborah Hill mentioned that reimbursements for the TASC conference are actively being submitted. A briefing request is being resubmitted to be included in the April 15, 2025 Commissioner's Court Agenda. The additional briefing will include the airfare expenses for the TASC conference.

Bus Pass Distribution

Deborah Hill stated that there are currently 310 bus passes available to utilize for the remainder of the fiscal year. Ms. Hill proposed that funds be transferred from the drug testing line-item to purchase additional bus passes. Judge Kristin Wade mentioned that additional funds are needed to purchase bus passes as the MHJD and SET courts rely heavily on providing passes to indigent and homeless participants, which assist with ensuring that they remain compliant. Ms. Barbara West stated that STAC court also struggles with keeping a supply of bus passes for their homeless clients. She mentioned that many of their clients rely on the passes to provide transportation to attend court.

It was determined that historically there was not a set policy regarding the distribution of bus passes and may have been distributed to the courts according to court capacity. Deborah Hill mentioned that a policy for the distribution of bus passes will be implemented to allow standardization. The amount of funds to be transferred will be discussed at the next 530 Sub-Committee meeting.
