Behavioral Health Steering Committee

530 Fund Sub-Committee

Attendees

Laura Edmonds (chair), Judge Kristin Wade, Shenna Oriabure, Gail Dawson, Lynn Richardson, Keta Dickerson, Serena McNair, Ruth Kaiser, Dr. Jill Johansson-Love, Leah Gamble.

Minutes for July 13, 2016

Laura Edmonds called the meeting to order at 9:35am and asked for a motion to approve the minutes. Ruth Kaiser made a motion to approve the minutes. Dr. Johansson-Love seconded the motion and the minutes were accepted by the group.

530 Fund Balance

An update of the 530 Fund Balance was provided, currently the balance for the Felony account (4020) is \$72,313.11; the Misdemeanor account (4031) is \$76,257.13 for a total of \$148,570.24. Laura Edmonds noted that \$8,157.48 is the total expensed for TADCP training. \$674.94 in TADCP reimbursements is still pending processing. Laura presented a 530 Fund Monthly Expenses report for the period of October 2015-June 2016.

530 Request for Funding

DIVERT Court submitted a formal written request for \$4,440 for 60 units (days) of residential treatment for one individual. The residential treatment cost \$74 per day. Leah Gamble moved to approve the fund request. Judge Wade seconded motion. The motion was approved by the group. The request will be taken to the next BHSC meeting for approval.

Training Opportunities

Laura Edmonds advised of an upcoming training opportunity in Hurst, Texas. The training is titled, "When the Prescription Becomes the Problem" and is a symposium on the opiate epidemic. Due to the low \$25 registration cost, multiple committee members recommended sending a large Dallas County contingent to the training. Laura suggested an allotment of 50 registrants at the cost of approximately \$3,000 (including mileage and registration). Laura will contact the host organization, Challenge of Tarrant County, to see the number of registrants the symposium can accommodate. Judge Kristin Wade suggested if there are limited spots to only send individuals in a decision making capacity. Lynn Richardson stated not utilizing medication assisted treatment may impact future funding. Judge Wade asked Dr. Johansson-Love what was CSCD's philosophical view regarding medication assisted treatment. Dr. Johansson-Love responded that clients receiving CSCD's in-house group treatment cannot participate in medication assisted

treatment but referrals are made, to community providers, for those in need. Judge Wade advised the County should secure a contract with Solace or other community providers to assist indigent clients with medication assisted treatment. Lynn suggested engaging in a dialogue to pursue funding for medication assisted treatment. Dr. Johansson-Love stated probation is open to dialogue and stated the problem comes down to funding and prescribers. Dr. Johansson-Love expressed the need to include Metrocare in this dialogue. Laura advised Value Options currently provides authorizations for medication assisted treatment. Laura is gathering information for what medication assisted treatment authorization will look like as regulated by NTBHA. Laura will provide an update on NTBHA's authorization for medication assisted treatment at a later date. Lynn advised of TADCP training in San Antonio on July 25, 2016.

Proposed Policies & Procedures

Laura Edmonds stated the specialty court census from fiscal year 2016 will be used for determination of bus pass allotments. Laura advised all official policies and procedures will start in the 2017 fiscal year. Quarterly reports of usage will be provided. Serena McNair reported that she has obtained bus pass logs from previously allocated bus passes. She reported that she will provide these to Laura. The Salvation Army was given bus passes by the 530 fund in previous years. Dr. Johansson-Love will check contract with Salvation Army to see if giving bus passes is specified. Laura advised the drug test line item was voted on in BHSC and briefed. Laura opened the floor to comments regarding policies to accompany the new line item. A discussion was had and the following recommendations were agreed upon: 530 will secure an account with Redwood Laboratories. 530 will use separate drug testing forms. The funding will be used for laboratory testing only. Judge Wade advised that during a recent visit to Metrocare's SNOP Clinic, she was advised Metrocare administered drug tests are not observed.

FY 2017 Budget

Laura Edmonds advised the fiscal year 2017 budget needs to be briefed in September. Laura requested members submit ideas regarding the budget. Laura anticipates having a draft budget at the next meeting for review. Keta Dickerson asked if monies budgeted for training could be used to sponsor in-house training. The consensus of the group was that the money could be used in that manner. Keta recommended providing cultural competence training in-house. Keta suggested training provided by the Court Innovation. Lynn Richardson advocated for training provided by HEAT. Lynn will request a training proposal from HEAT. Lynn asked which specialty courts utilize law enforcement as part of the court team. Lynn advised a best practice is to incorporate a law enforcement officer from the community. Lynn wants law enforcement actively involved in specialty courts to foster relationships. The group would like to reach out to Dallas Police Chief Brown to meet with a group of specialty courts' representatives. Judge Wade provided a glowing review of Metrocare's, Dr. Burris, Public Defender's RoundTable Conversation.

Adjourn

The meeting was adjourned at 10:39am and will reconvene on 8/10/16 @9:30am.
