The 5-year, \$7 million Implementation Grant submitted by MMHPI was awarded in October 2016. Dawn provided a summary of the upcoming actions related to the award. Funding began in January and all the workgroups for the Intercepts 1-5, continue to meet and complete all implementation tasks related to procedures/forms, Court orders, space/staff preparations, modified resource allocations, training curriculums/plans in order to launch implementation by March. MMHPI is also gearing up for TMACT provider training in February.

CSP stats and metrics were reviewed, and are exceeding year-to-date for outcomes with all other service goal metrics were met and DY 5 metrics will be reported to the State by end of this month. See packet pgs. 8-14 for details.

Charlene and CSP providers continue to communicate with NTHBA to facilitate the current transition planning since the care manager and Specialty Court Aftercare Engagement Packages currently going through CSP will now be coordinated through NTBHA. Process continues to go well.

Jail and hospital movement, pregnant defendants, and homeless data and reports were presented by Abdul Mohamed and Shenna Oraibure and are found in the meeting packet on pages 15-23. No further concerns or questions from the group on those items. Mike Laughlin provided the monthly CCQ match for MH prevalence which remains at 25%. **All other department and agency data reports and program updates** were accepted as read, and can be reviewed in pages 25-39 of the meeting packet. Leah mentioned that the Meadows staff have gotten involved in the issue of low hospital bed capacity. Everyone agreed to the need of quicker state hospital placements, part of which is being addressed by the upcoming Legislative Session.

Dr. Love advised of Parkland's new opioid dependent, pre/post-natal services program. It was agreed that we should investigate and gather more information on this to be provided to the group.

Lynn Richardson presented the **Public Defender** MH case data and reports (page 25 of packet) with no changes or other comments at this time.

Lee Pierson provided the **DA data updates and report from pages 26-31** adding that Cresta had no numbers to report due to family illness, and he introduced ADA Casey Stango as Tanya Whetzel's replacement.

Provider Reports

Kelly Lane from The Bridge (pg. 32) advised that average census was 439 at the shelter. Also, they continue to make great linkage with the Metrocare Path Program which is better engaging new patients out on the street in order to bring them into intake, then with case workers and finally in the Dallas Metrocare Clinic system for concurrent services. She also provided additional information on the growing value of the peer support program.

Lynn Richardson asked about the process of class C warrants getting stuck on the "mats" in limbo, and Kelly agreed to research this and report back asap.

IPS: presented their data/reports as a packet attachment. Enrique also provided updated information on their new MAP system and programs which will include much better communication and coordination between the Dr. and pharmacy, a psychiatric prescriber with a focus on providers who give primary SUD services with supporting MH services. Their will only be reimbursement for psychiatric services with one approved Dr. in one location via NTBHA.

There was also lengthy discussion about their Thinking for a Change program vs. the newer modified version called Decision Points which is re-formatted with new content and uses an open-ended group format. More information on that to follow. Enrique also provided information on their detox. programs (Opiates, alcohol, and benzodiazepines) which requires 3 days of continuous use with withdrawal symptoms.

Metrocare: Crystal Garland presented Metrocare data/reports (pg. 33) with no further comments or questions.

Meadows Mental Health Policy Institute

Community Stakeholder Project Status Update – February 2017

The Caruth Smart Justice Planning Grant Phase II Proposal was submitted to the W.W. Caruth, Jr. Foundation at the Communities Foundation of Texas on July 15, 2016, followed by the board presentation on September 27, 2016. On October 5, 2016, the trustees of the W.W. Caruth Foundation at the Communities Foundation of Texas approved the grant proposal, which will enable the Meadows Mental Health Policy Institute to work closely with Dallas County, the City of Dallas, and a broad array of partners to implement the Dallas County Smart Justice Project.

MMHPI and its partners' implementation of this project began in January 2017 and is aligned with supporting the North Texas Behavioral Health Authority (NTBHA) transition. We will continue to engage local and state philanthropists to seek matching funds to support implementation. Additionally, we continue to seek the support of local private hospital providers to help bridge the gap between the private health care system and the public behavioral health and criminal justice communities.

Intercept 1 (Law Enforcement)

The MMHPI staff continues to provide technical assistance to stakeholders with the Dallas Fire-Rescue Department (DFR) and the Dallas Police Department (DPD) as they coordinate efforts to identify programming and logistical needs. Both DPD and DFR have completed statements of work (SOW). The drafting of DPD and DFR job descriptions are completed and currently under review by each department. DPD and DFR will be drafting policies for their perspective departments. The Intercept 1 contract was reformatted and reviewed by Robert Kincaid (MMHPI General Counsel) and Michele Guzmán (MMHPI Vice President of Administration), and then was forwarded to the City Council and added to their meeting agenda. The next City Council meeting that will include a vote on approval of this contract is anticipated for mid-February 2017. The next Intercept 1 operational workgroup meeting is scheduled for February 10, 2017.

Intercept 2 (Initial Detention/Initial Court Hearings) / Intercept 3 (Jails/Courts) / Intercept 4 (Re-Entry)

With the award of the Caruth implementation grant, the three work groups with the Dallas County Criminal Justice Department (DCCJD) are moving forward on key tasks to implement the grant, which include:

- The DCCJD Caruth Project staff engaged with the new District Attorney (DA), Judge Faith Johnson and her staff to continue forward momentum, particularly as it relates to the Caruth Memorandum of Understanding (MOU) for the exchange of information.

- Each of the three workgroups are finalizing procedures and forms in preparation for joint training in February.
- The judges are finishing approval of special orders for (1) completion of the new mental health assessment (2) delegation of authority to the magistrates, and (3) the actual bond release order.
- The Meadows Mental Health Policy Institute (MMHPI) will provide a scaled-down version of the TMACT training for district and county judges on February 24, 2017.
- The Pretrial Office has finalized and approved procedures and forms and will complete internal department standard operating procedure (SOP) and form training within the next two weeks.
- The pilot of the Ohio Risk Assessment (ORAS) – Pre-Trial Assessment Tool (PAT) has begun.
- One of the new pre-trial officers has been hired; additional hires are contingent upon Commissioner Court approval slated for February 7, 2017.
- The Dallas Sheriff's Department (DSO) has approved new physical space for inmate risk assessment interviews and clinical assessments.
- Parkland staff have completed HIPAA-compliant protected health information exchange agreements with each of the primary continuity of care providers.
- Adapt Community Solutions and Harris LOGIC have completed most of their software, program, and staffing changes; internal testing of the new triage screening process will begin in early February 2017.
- The Dallas County Office of Information Technology will complete final approval of the new automation process by early February 2017.

On January 23, 2017 the Intercept 2-4 contract was forwarded to the county for review and final edits are anticipated within the next two weeks.

Intercept 5 (Community Corrections and Services)

MMHPI staff completed interviews in December 2016 with community providers in which they discussed the current state of existing Assertive Community Treatment (ACT)/Forensic Assertive Community Treatment (FACT) and other high acuity programs in Dallas County as well as the potential to enhance the teams. From the December interviews the final teams were chosen and final approval given by Andy Keller (MMHPI President and CEO). The invitations for the TMACT training have been sent to the approved teams. The MMHPI team scheduled Dr. Maria Monroe-DeVita (author and developer of TMACT model) to lead a training on February 9 and 10, 2017. A scaled-down version of the TMACT training will be provided to the felony and misdemeanor judges on February 24, 2017.

Behavioral Health Steering Committee

530 Fund Sub-Committee

Attendees

Laura Edmonds, Shenna Oriabure, Keta Dickerson, Ruth Kaiser, Judge Lela Mays, Judge Kristin Wade, Lynn Richardson, Serena McNair

Review/Approval of Minutes

Laura Edmonds called the meeting to order at 9:35am and asked for a motion to approve the minutes. Judge Mays made a motion to approve the minutes. Keta Dickerson seconded the motion and the minutes were accepted by the group.

530 Fund Balance and Update

An update of the 530 Fund Balance was provided. Currently the balance for the Felony account (4020) is \$85,712.02; the Misdemeanor account (4031) is \$67,938.05 for a total of \$153,650.07. Laura advised the previous account update had some inaccuracies due to account code changes in the Auditor's Office. The inaccuracies have been resolved. Laura Edmonds presented the 530 Fund Monthly Expenses report for the period of October - December 2016. Expenses paid in November, December include MH Specialty Court Coordinator Salary, drug testing (\$494.50), MHJD incentive (\$570), and DART passes for FY2017 (\$9,990). Shenna Oriabure is attempting to obtain each specialty courts' end of year numbers for use in the distribution of bus passes.

Request for Funding

Laura Edmonds presented a fund request, from STAC Court, for incentives. The total request was for \$2,445. Judge Wade moved to approve the request as submitted. Keta Dickerson seconded the request. The motion was approved. The request will be forwarded to BHSC with the recommendation of approval. Laura presented a fund request, from STAC Court, to attend the Texas Association of Specialty Courts (TASC) Conference. The request was to send five people (2 judges, 1 ADA, 1 PD, and 1 court coordinator) to the training. The request was tabled until next meeting. Keta recommended we distribute the 530 funds like a stipend for the TASC Conference, with specific dollar amounts (per person) for each area including: travel, meals, registration, and lodging. The deadline to submit 530 funding request for TASC will be the next subcommittee meeting in February 2017. Laura and Shenna will provide each specialty court with a notice and the information/material needed to submit a fund request for the TASC conference prior to the February meeting. The total budget for the line item training is \$17,000. There are a total of 13 certified specialty courts.

Keta advised the State budget will decrease by 3%; Keta detailed the potential effects of such a decrease on specialty courts. Keta advised there is an emergency conference call regarding these issues. Keta will provide an update at the next meeting. Lynn Richardson suggested the committee review the report on Dallas County specialty courts completed by Dr. Tony Fabelo and focus on providing training in areas identified as deficient. Judge Wade advised the report focused on recidivism and not the functioning of the specialty courts.

Update on Drug Testing Line Item

Laura Edmonds provided an update on the drug testing line item. Laura reported 4 drug tests completed in December 2016. Of the 4 collected specimens, 1 positive and 3 negative. The positive result was for alcohol. Utilization of the line item by court is as follows: 3 STAC, 1 Competency. A total of \$1,383.20 has been invoiced with \$8,616.80 remaining in the budget. Judge Mays discussed the positive impact of specialized drug testing for STAC Court.

Announcements
