# New Detention Early Warning Report (DEWR)-Glossary

**The New DEWR is a 40-line item report which provides a snapshot of the Dallas County Jail Population by categorizing each individual into one “bucket” at a time, based on their highest-level unresolved charge (reportable offense), if one defendant has multiple charges, the report reflects highest unresolved offense, until all the individuals charges are disposed. Once all charges are resolved, the individual moves into the appropriate awaiting release or transfer bucket. The DEWR maps Pre-Disposition Felonies & Misdemeanors, as well as when an individual is awaiting release or transfers.**
