Disclaimer: All data related to jail population averages, bookins, and releases remains accurate and up-to-date. The New Detention Early Warning Report (DEWR) tool, which provides an important internal snapshot of our jail population, was moved to production on 02/01/2026, it had been offline (accurate bucket movement) since 05/17/2023, following the implementation of Odyssey.

New Detention Early Warning Report (DEWR)-Glossary

The New DEWR is a 40-line item report which provides a snapshot of the Dallas County Jail Population by categorizing each individual into one “bucket” at a time, based on their highest-level unresolved charge (reportable offense), if one defendant has multiple charges, the report reflects highest unresolved offense, until all the individuals charges are disposed. Once all charges are resolved, the individual moves into the appropriate awaiting release or transfer bucket. The DEWR maps Pre-Disposition Felonies & Misdemeanors, as well as when an individual is awaiting release or transfers.

Collaboration Activities

FUSE Program – Coordination & Process Improvements Update

Housing Forward, the County Criminal Justice Department, and FUSE partners have been meeting regularly to collaborate and strengthen the program and improve housing placement outcomes. We are focusing on the following:

- **Improving client communication on housing options:**
 - Developing standardized talking points to clearly explain housing pathways and expectations
 - Short (1–2 minute) explainer video to support client understanding of program benefits
 - Materials available in English and Spanish to ensure accessibility
- **Lived Experience Input:**
 - Engaging the Lived Experience Committee to inform program design, messaging, and barrier reduction
