

JTC- DDC  
Annual PREA Review pursuant to PREA Standard 115.288  
June 01, 2025 – June 30,2026

The Prison Rape Elimination Act (PREA) of 2012 mandates that correctional facilities and prisons provide a copy of their annual review (PREA Standard 115.288) of all related PREA investigations inclusive of any potential problem areas and all corrective actions taken by the respective facility. The annual review considers the investigative reports, review team assessments and any other related information.

In 2026, the **JTC-DDC** staff received zero allegations from clients regarding PREA-related sexual abuse or sexual harassment. As a result, no PREA investigations were initiated during this period. The facility is fortunate to have had no reported allegations and will continue to remain vigilant by monitoring for any signs, concerns, or reports of sexual abuse or sexual harassment.

The PREA Team members conducted a comparative analysis of this 12-month period with the preceding 12-month period of June 2025 through June 2026. In 2025 through 2026, there were also zero (0) PREA reports. SATF fully embraces a zero- tolerance approach. Residents, Staff, Vendors and Volunteers are keenly aware of PREA policies and the consequences of policy violations.

We strive to maintain a safe and secure environment for everyone at our facility including Residents, Staff, Vendors and Volunteers. Sexual abuse and sexual harassment is a crime and will not be tolerated at Dallas County John Creuzot Treatment Center.
