- (18) Beginning on page 6, state concisely every legal ground for why you think that you are being illegally confined or restrained and then briefly summarize the facts supporting each ground. You must present each ground and a brief summary of the facts on the application form. **If your grounds and a brief summary of the facts have not been presented on the application form, the Court will not consider your grounds. A factual summary that merely references an attached memorandum or another ground for relief will not constitute a sufficient summary of the facts.**

If you have more than four grounds, use pages 14 and 15 of the application form, which you may copy as many times as needed to give you a separate page for each ground, with each ground numbered in sequence. The recitation of the facts supporting each ground must be no longer than the two pages provided for the ground in the form.

You may include with the application form a memorandum of law if you want to present legal authorities or provide greater factual detail, but the Court will *not* consider grounds for relief set out in a memorandum of law that were not raised on the application form. The memorandum of law must comply with Texas Rule of Appellate Procedure 73 and must not exceed 15,000 words if computer-generated or 50 pages if not. If you are challenging the validity of your conviction, please include a summary of the facts pertaining to your offense and trial in your memorandum of law.

If the application form does not include all of the grounds for relief, additional grounds brought at a later date may be procedurally barred.

WHEREFORE, I PRAY THAT THE COURT GRANT THE RELIEF TO WHICH APPLICANT MAY BE ENTITLED IN THIS PROCEEDING.
