a Judgment Lien

Now Comes (name) and files this motion requesting a judicial determination of the status of a court, judicial entity, or judicial officer purporting to have taken an action that is the basis of a judgment lien filed in the office of said clerk, and in support of the motion would show the court as follows:

I.

II.

On (date), in the exercise of the county clerk's official duties as County Clerk of (county name) County, Texas, the county clerk received and filed or filed and recorded the documentation attached hereto and containing (number) pages. (c) A motion filed under this section may be ruled on by a district judge having jurisdiction over real property matters in the county where the subject documentation was filed. The court's finding may be made solely on a review of the documentation attached to the movant's motion and without hearing any testimonial evidence. The court's review may be made ex parte without delay or notice of any kind. The court's ruling on the motion, in the nature of a finding of fact and a conclusion of law, is unappealable if it is substantially similar to the form suggested in Subsection (g).

(d) The district clerk may not collect a filing fee for filing a motion under this section.

(e) After reviewing the documentation attached to a motion under this section, the district judge shall enter an appropriate

finding of fact and conclusion of law, which must be filed and indexed in the same class of records in which the subject documentation or instrument was originally filed.

(f) The county clerk may not collect a filing fee for filing a district judge's finding of fact and conclusion of law under this section.

Judicial Finding of Fact and Conclusion of Law Regarding a
Documentation Purporting to Create a Judgment Lien

On the (number) day of (month), (year), in the above entitled and numbered cause, this court reviewed a motion verified by affidavit of (name) and the documentation attached thereto. No testimony was taken from any party, nor was there any notice of the court's review, the court having made the determination that a decision could be made solely on review of the documentation under the authority vested in the court under Subchapter J, Chapter 51, Government Code.

The court finds as follows (only an item checked and initialed is a valid court ruling):

_____ The documentation attached to the motion herein refers to a legally constituted court, judicial entity, or judicial officer created by or established under the constitution or laws of this state or of the United States. This judicial finding and conclusion of law does not constitute a finding as to any underlying claims of the parties.

_____ The documentation attached to the motion herein DOES NOT refer to a legally constituted court, judicial entity, or judicial officer created by or established under the constitution or laws of this state or of the United States. There is no valid judgment lien created by the documentation.

This court makes no finding as to any underlying claims of the

parties involved and expressly limits its finding of fact and conclusion of law to a ministerial act. The county clerk shall file this finding of fact and conclusion of law in the same class of records as the subject documentation was originally filed, and the court directs the county clerk to index it using the same names that were used in indexing the subject document.
