All Dallas County Business Owners:

The Dallas County Commissioners' Court adopted the 2024 International Uniformed Fire Code in October 2025. This gives the Dallas County Fire Marshal's Office the opportunity to inspect businesses in the unincorporated areas of Dallas County.

The Dallas County Fire Marshal's Office is to provide quality inspections of both Residential business and Commercial projects to ensure they provide the minimum requirements to safeguard the public health, safety and welfare of our citizens, business community, as well as to ensure the safety of our emergency personnel during emergency operations. This shall be achieved through plans review process and on-site inspection. After verifying code compliance, a permit or Certificate of Occupancy may be issued throughout the remainder of the construction / compliance process.

We have identified your address or location as a place of business or non-profit organization within Dallas County. We are requesting that you fill out the proper Application, Use and Occupancy Compliance per the Dallas County Code in order to operate within Dallas County.

If you have any questions, please contact the Dallas County Fire Marshal's Office at – (214) 653-7970. We are located at the records Building, 500 Elm Street Suite 0500, Dallas TX 75202. You can also visit us on the Dallas County website: www.dallascounty.org under the tab Fire Marshal.

Thank you for your time and we look forward to working with your organization.
