Checklist for Child Care Administrators: Steps to Take When You Have a Suspected or Confirmed COVID-19 Case in Your Facility

case in rour racinty		1		<u> </u>
Task	N/A	Completed	Date	Initials
Illness Response				
If child or staff develop symptoms while at child care				
Follow all Keep Me Home If exclusion guidelines.				
If child or staff becomes symptomatic with a cough, shortness of breath,				
temperature of 100.4°F/38°C or higher, chills, congestion or runny nose,				
headache, muscle pain or body aches, sore throat, fatigue, nausea or				
vomiting, diarrhea, new loss of taste or smell or other signs of <i>new</i> illness				
unrelated to a pre-existing condition (such as seasonal allergies) follow				
the steps below.				
Complete Symptom Logs for individuals with symptoms.				
For sick child				
Designate a staff member to care for and supervise the sick child while				
awaiting the parent/caregiver's arrival.				
Designated staff member separates the sick child from other children and				
staff. If possible, isolate the child in an unoccupied room while waiting for				
the parent/caregiver to pick the child up.				
If possible, move all other children into an unoccupied room and out of the				
classroom where the sick child spent time. Close off all areas used by the				
sick child to prevent re-entry.				
Designated staff member should wear a medical mask while caring for the				
sick child. If the sick child is older than 2 years, they should wear a face				
covering/mask. Designated staff member should help the child put the face				
covering/mask on properly.				
Notify the child's parent/caregiver. Kindly request they pick up the child				
as soon as possible.				
When the parent/caregiver arrives, the designated staff member should				
escort the child to the facility entrance.				
Advise family to call child's healthcare provider to get child tested for				
COVID-19 or go to a <u>free testing site</u> .				
For sick staff				
Separate the sick staff person from children and other staff. Send sick				
staff person home.				
Ask the staff member to wear a face covering/mask while they are still in				
the facility awaiting pick up, or if they will be using public transportation				
to return home.	<u> </u>			
If possible, isolate the staff person in an unoccupied room if they are				
waiting to be picked up.				
Advise sick staff person to call their healthcare provider to get tested for				
COVID-19 or go to a free testing site.

Task	N/A	Completed	Date	Initials
Cleaning and disinfecting after sick person leaves				
Designated staff person who cared for a sick child should:				
1. Wash hands				
2. Change their clothes, and bag and seal clothes to be washed.				
3. Remove face covering and either dispose of in a plastic-lined				
garbage can or place in a sealed bag for washing.				
4. Wash hands.				
5. Put on clean face covering.				
Any cloth items used by the sick child such as a blanket, napping sheet, and toys should be placed in a sealed bag and laundered.				
Any rooms the sick person spent time in should be cleaned and				
disinfected. Follow <u>Cleaning and Disinfecting During COVID-19 document</u>				
for recommended bleach disinfectant concentration and procedures.				
 Open windows and doors to the outdoors to increase air 				
circulation in these areas.				
If possible, wait 24 hours or as long as practical after the sick				
person was in a room before beginning to clean and disinfect.				
Communication		T	T	
Notify facility administration of confirmed or suspected COVID case(s).				
Meet with key staff, including teachers, janitors, and leadership to				
coordinate action.				
Notify families of children who are close contacts of the confirmed				
COVID-19 case by providing them with a copy of the "COVID-19 Exposure				
Notification Letter."				
You may also choose to provide a copy of the "COVID-19 Fact Sheet for				
Families" for informational purposes to staff and other families of children				
who were not close contacts.				
Remember: do not tell families anything that can identify the individual who is or may be sick.				
You must report to Dallas County Health & Human Services if:				
 one or more individuals who have spent time in your facility test positive for COVID-19; 				
 OR two or more children or staff in your child care have symptoms of COVID-19; 				
To report the To report a positive case of COVID-19 to Dallas County, pleas	е			
complete a <u>COVID-19 Positive Case Daycare Report Form</u> and email the				
completed form to: Daycareoutbreaks@dallascounty.org .				
Notify your licensor of a positive case.				
If you are considering closing for a period of time:				
Please email <u>Daycareoutbreaks@dallascounty.org</u> .
