METRICS **COMPREHENSIVE ENERGY ASSISTANCE PROGRAM**

The Comprehensive Energy Assistance Program (CEAP) aims to assist low-income households with their energy bills while also empowering them to save money on future costs through energy education.

Key Services

Key services for eligible clients include assistance for electric and gas bill payment. Program offers assistance with repairs to HVAC units for eligible clients during energy crisis. Additionally, the program receives donated funds from energy providers to assists low-income individuals or families with electric and gas bill payments
