METRICS COVID-19 HEALTH DISPARITIES

DCHHS Dallar Courry Nealth and Harman Services

Purpose

This grant is to address health disparities emanating from COVID 19 in minority and rural communities by providing resources to improve communication, systems and increase community outreach.

Funding through the grant helped support continuing and expanding vaccination efforts for homebound individuals and the homeless, implement data modernization system, improving data integration and reporting systems, enhancing lab capacity and community outreach, and mobilizing partnerships with local high schools to train students as community health ambassadors.
