### JACKSON-STANFIELD (EMPLOYEE HEALTH) CLINIC

#### Purpose

The Jackson (Employee) Health Clinic provides basic medical services to current and prospective employees to promote health and safety in the workplace.

#### Key Services

The employee clinic provides key services to the Dallas County workforce such as pre-employment health exams assessing the fitness of prospective employees, ensuring they are physically capable of performing their job duties. For urgent illnesses and injuries, the clinic provides immediate treatment, minimizing downtime and promoting quick recovery. Health care consultations are available for employees seeking advice on various medical concerns, fostering a proactive approach to personal health. Return-to-work and fitness-for-duty evaluations are performed to confirm that employees can safely resume their duties after an illness or injury. The clinic also addresses mental health through stress management services, helping employees cope with workplace pressures. Regular blood pressure and blood/glucose checks are conducted to monitor and manage chronic conditions. Additionally, seasonal flu vaccines are administered to prevent outbreaks and maintain a healthy work environment. Through these comprehensive services, employee clinics play a crucial role in maintaining a healthy, productive workforce.
