Judge Jenkins Statement on Letter to Texas Secretary of State on Voter Disenfranchisement

“I support Battleground Texas’ efforts to address the problems with the state’s voter registration rolls. Several of the experiences cited in the letter to the Secretary of State are from Dallas County and fail to comply with the National Voter Registration Act. I have fought against cynical attempts to disenfranchise minority voters and the elderly and will continue to fight for the right of Texans to have their voices heard on Election Day because our democracy works best when all eligible voters regardless of race or socioeconomic class are allowed to participate.”
