### **Judge Jenkins Selected as One of Nation's Top Pro-Growth Progressive Leaders**

Today, Dallas County Judge Clay Jenkins was selected as one of eight leaders from across the country to join the NewDEAL (Developing Exceptional American Leaders), a national network that is committed to highlighting innovative ideas from state and local elected leaders who are pro-growth progressives.

"I congratulate this group of NewDEAL Leaders who have been chosen for their pro-growth policy solutions from the front-lines of government. We are proud to highlight these leaders from across the country with innovative ideas to make government more efficient and effective," said Senator Mark Warner (D-VA), Honorary Co-Chair of the NewDEAL.

"We believe that in order to address the challenges of the 21st century, we need to look for fresh ideas at the state and local level where leaders like Judge Jenkins are developing and testing innovative solutions to help move our country forward," said Governor Jack Markell, Honorary Co-Chair of the NewDEAL.

"I'm proud to be recognized by the NewDEAL for my work to expand opportunity and make government more effective," said Judge Jenkins. "I'm looking forward to sharing ideas with my fellow NewDEAL Leaders and hearing about what's working best in their communities that can help us grow progress here in Texas."
