**MISSION STATEMENT:** The mission of the Dallas County Historical Commission is to preserve, protect, and promote the historic resources of Dallas County for the education, enjoyment, and economic benefit of its residents and for the enhancement of the area's quality of life.

To accomplish this mission, the Historical Commission will encourage and assist in the development of State historical markers, advise the Dallas County Commissioners Court on historical matters, communicate and work with other local historical organizations, and make the history of Dallas County accessible to the public through such activities as the Commission's website, the regular publication of an electronic newsletter, and the sponsorship and the holding of conferences and special events.
