

# Duck Creek Trail

GARLAND

This map has been prepared courtesy of **VIRGINIA COOK, REALTORS.**

With a length of 5.7 miles, Garland's Duck Creek Trail is the longest continuous trail in the northeastern corner of the County. Located in a residential area and traversing the City's Duck Creek Greenbelt, the trail winds in and out of trees, enjoys creekside views, and connects with a number of playgrounds, athletic fields (including a cricket pitch), water fountains, grills, and picnic pavilions. It also now connects with Mesquite's 4.4-mile Heritage Trail which extends all of the way to Town East Mall.

General trail location shown in red below.

This map is for informational purposes and only represents the approximate relative locations of the labeled features. This map was published in January 2016.
