The 4.8-mile Good Link Trail connects two major City of Grand Prairie athletic facilities (Mike Lewis Park and C.P. Waggoner Park) with a hard surface trail, boardwalks, and an impressive 270-foot bridge across Johnson Creek. Located where State Hwy 161 and N. Carrier Pkwy intersect, the trail was funded by TxDOT to compensate for a portion of Waggoner Park that was used for the construction of State Hwy 161.
