

Katy Trail

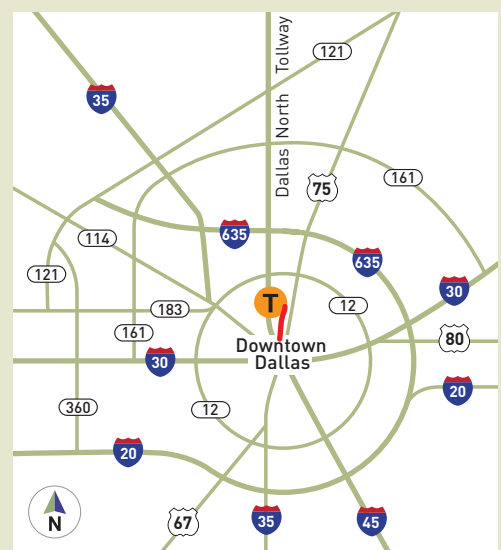

DALLAS

This map has been prepared courtesy of **VIRGINIA COOK, REALTORS.**

The Katy Trail is one of the most popular and widely used trails in the Dallas area. Built in what was a former Missouri, Kansas and Texas ("Katy") Railroad corridor that was provided by Union Pacific, the 3.5-mile trail is located in the middle of the City of Dallas. The trail begins at the American Airlines Center just north of downtown, travels through densely-populated neighborhoods and restaurant/entertainment areas, and ends just south of Mockingbird Lane and Central Expressway.

General trail location shown in red below.

This map is for informational purposes and only represents the approximate relative locations of the labeled features. This map was published in January 2014.
