

# Renner Trail

This map has been prepared courtesy of **VIRGINIA COOK, REALTORS.**

The Renner Trail provides a key, 1.9-mile east-west trail within Richardson by connecting with the City's UTD/University Trail on the west and the Spring Creek/Central Trail on the east. It also connects with two north-south dedicated bike lanes at Custer and at Collins. Twelve-foot wide, the Renner Trail is nicely-landscaped and has several water fountains and stone-work-trimmed rest areas and retaining walls along the way.

## RICHARDSON

General trail location shown in red above.

This map is for informational purposes and only represents the approximate relative locations of the labeled features. This map was published in January 2014.
