ADDENDUM #2

**RFP 2025-057-7082 INPATIENT SUBSTANCE ABUSE TREATMENT SERVICES FOR PREGNANT
WOMEN AND WOMEN WITH CHILDREN.**

Whereas,

The bid closing date has been extended to November 6, 2025, @ 2:00 p.m. (CST) by way of this addendum.

Whereas,

The following rates have been included into the RFP by way of this addendum:

1. Adult Women Residential Treatment: \$121/day
2. Adult Specialized Female Intensive Residential Treatment: \$194/day
3. Women with Children Residential: \$234/day
4. Detox: \$239/day

Whereas,

The answers to the questions are as follows by way of this addendum:

Question 1: The rate for services provided is significantly lower than our current NTBHA rate for very similar services. At \$121/day, we would not be able to provide the services requested. Can we access any documentation for the reasoning for the rate as proposed, to see if we are making incorrect assumptions about the level of service as outlined in the RFP? Or is this rate intended to supplement the NTBHA rate for the same clients? Alternately, will we be able to propose a different rate and demonstrate our costs?

Answer 1: The quantities listed not only represent the amount of work the County anticipates performing but also serve as a ratio to indicate which services carry the greatest cost significance. The quantities are provided on an as-needed basis. The rates shown are from 2023, and no information has been provided regarding an increased daily rate. Please submit

your best pricing, as there is room for negotiation. The daily rate has been revised by way of this addendum.

Question 2: Is this service for only Pregnant Women with Children? Or does this include Adult Women also?

Answer 2: This solicitation seeks residential services for adult women as well.

Question 3: We have updated the cost sheets. Should we leave the counts in the cost sheet as is, or adjust them to project our capacity?

Answer 3: The cost sheet reflects estimated quantities of services the department may require over the course of the awarded contract. Please leave the quantities listed. If you have any exceptions or clarifications, please include them in your response.

Except as provided herein/above, all other specification requirements of the original solicitation referenced shall remain unchanged in full force and effect. This addendum should be signed and returned with your Solicitation package on or before 11/6/2025, @ 2:00 p.m. (CST).
