7.2 SBE Goals, Good Faith Efforts and Eligibility.

The Director of Small Business Enterprise and the Contract Administration Supervisor set the annual SBE participation contracting/subcontracting aspirational SBE goals for each contract. The contracting/subcontracting goals for this contract will be based on meeting or exceeding the **minimum aspirational SBE goal of 40%**, unless good cause exists for failing to meet the goal. The SBE or certified sub-contractor aspirational goal is expressed as a percentage of the total dollar amount of the contract going to SBE or certified Sub-Contractor for those areas which the Contractor has sub-contracted or anticipates sub-contracting. The aspirational goal shall also apply to contract amendments that require work beyond the scope of services originally required to accomplish the project.

The Respondent agrees to employ good faith efforts through the award of subcontractors to eligible SBEs and certified firms to the fullest extent possible.

However, all subcontractors and/or suppliers, whether certified or not, must be listed in the GFEP. The information provided in the GFEP Form will be utilized in the development of the final contract/agreement. This form is required and considered to be a part of the response to the RFP. **Should the Good Faith Effort Plan or any of the specified documents listed below be incomplete, not signed, and/or not submitted, the proposal/bid may be deemed non-responsive.**

The County reserves the right to accept or reject any certified firm, and in its sole discretion is not bound by the certifying bodies' determination if the County has a good faith basis for concern regarding the eligibility of the firm to meet SBE guidelines or standards. A Contractor whose proposed certified firm is rejected may contest in writing to the Office of Small Business Enterprise, in accordance with the SBE Policy. The denial of SBE certification by the Office of Small Business Enterprise is excluded from the Dallas County Purchasing Code of Ethics Protests Procedure and is exclusively governed by the appeal process set forth in the SBE Policy.

7.7. SBE Reporting. The Contractor and its subcontractors are required to electronically submit subcontractor payment information using the County's Compliance Reporting System (CRS), accessed through a link on the Dallas County SBE webpage. The Contractor and all subcontractors will be provided a unique log-in credential and password to access Compliance Reporting System.

- 7.8. **Contracting.** If awarded the contract, the Contractor agrees to be bound by the policies and guidelines set forth in the County's SBE Policy, which may be incorporated into the contract. If a conflict exists between the SBE section of the solicitation and the County SBE Policy, the language in the solicitation governs.

SMALL BUSINESS UTILIZATION AFFIDAVIT

It is the policy of Dallas County to encourage the inclusion of qualified Small Business Enterprises (SBEs) to the greatest extent feasible on the County's construction, procurement and professional services contracts. Neither the County, nor its Contractors and their subcontractors shall discriminate on the basis of race, age, color, religion, national origin, or sex in the award and performance of contracts. In consideration of this policy, Dallas County has adopted the Small Business Enterprise Policy for all County contracts.

I. Introduction, Purpose and Intent

The purpose of this RFQ is to obtain the services of a public accounting firm, whose principal officers are independent certified public accounts, certified or licensed by the State of Texas or other political subdivision of the United States. The selected offeror(s) will be awarded a five-year contract.

The County of Dallas was incorporated in 1846 as a public corporation and political subdivision of the State of Texas. Dallas County has a current population of approximately 2.6 million. The County's FY2025 budget totaled \$1,723 million, of which \$792 million is approved for the General Fund. As of September 30, 2024, Dallas County had approximately \$218 million in outstanding general obligation bonds and certificates including interest to maturity, \$791 million in property tax and other receivables and \$837 million in net capital assets. For the year ended September 30, 2024, the grand total of federal and state expenditures was \$198 million.

Dallas County maintains the highest bond rating available to public entities, AAA from Standard and Poor's Rating Services and AAA from Moody's Investors Service.

Dallas County's accounts are organized on the basis of funds, each of which is considered a separate entity. The County actuarially determines OPEB cost but does not fund the UAAL. Dallas County issues payroll bi-weekly to approximately 6,508 employees.

The administration of justice is the primary function of Dallas County. Other functions include the construction and maintenance of roads and bridges, juvenile corrections, health, welfare and education involving the care and correction of dependent and delinquent children, administration of public health services, assistance to indigents, and County libraries. Dallas County also provides some services in cooperation with local governmental units and other services not ordinarily provided by any entity of government. Chapter 115, Section 115.045 of the Texas Local Government Code requires an annual audit by a "disinterested, competent, experienced public accountant or certified public accountant." Dallas County's report for the year ended September 30, 2023, as prepared by Deloitte & Touche LLP is available for review on the Dallas County Auditor website. <https://www.dallascounty.org/departments/auditor/>

Texas law requires the County Commissioners' Court to engage an outside accounting firm to review the financial systems and internal controls of the county government.

The purpose of the external financial audit is to examine and report on the various funds of Dallas County Supervision and Corrections Department as required by the Local Government Code, Chapter 115, Section 115.045, and other applicable statutes. The ultimate objective of the audit will be to render opinions on Dallas County, Juvenile Board, and Community Supervision and Corrections Department financial statements. Separate audit reports will be prepared for Dallas County- Annual Comprehensive Financial Report, Single Audit, Texas Juvenile Justice Department (TJJD), Academy of Academic Excellence, Real Estate Assessment Center (REAC), and Community Supervision and Corrections Department (CSCD). A separate compliance audit of management controls on investments and adherence to policies will be performed per Government Code, Chapter 2256, Public Funds Investment, § 005.

The County is a public corporation and political subdivision of the State. Government-wide and fund financial statements are presented in accordance with GAAP except for County fiduciary funds. The County's Debt Service Fund is declining due to 'pay-as-you-go' policies. The County's large receivable

base (primarily tax and court costs) are maintained on diverse non- integrated systems. The County's financial system is Oracle.

The examination should be made in accordance with generally accepted auditing standards as prescribed by the American Institute of Certified Public Accountants applicable to general governments for the County. Further, the examination will take into consideration the federal and state regulations under which the County operate and determine if the County is in compliance with those guidelines.

All qualifications should include a brief outline of the methodology that will be used to accomplish the overall goals and objectives of the financial audit program.

Copies of the Comprehensive Annual Financial Report of Dallas County and the Budget of Dallas County are available through the County's web site at www.dallascounty.org
