Answers to the questions are as follows,

**Q1: Subcontractor**

Good morning. Is there any subcontracting on this job? I am Hassan Reed with HGR Cement and we are a small business that hauls concrete. We lease out our certified trucks along with drivers to haul concrete from the plant to job sites. Take a look at our capabilities at [www.hgrcorporation.com](http://www.hgrcorporation.com).

A: Dallas County encourages small business enterprise (SBE) and the utilization of qualified SBE's, by the general contractor, for the County's procurement of goods, equipment, services, and construction projects.
