Specify any additional comments/cost/etc. included with your bid proposal, if applicable:

this bid packet\*\* There is an availability issue with the #110 Canary Index paper specified for the address confirmation cards in this solicitation. The pepr mills will only make this color paper if they have at least 5000 pounds worth of orders. We have quoted 100# canary tag in our bid. It is still 7pt thickness, but it is more readily avaiablr. It also runs well on our laser printers. We are also quoting 100# white tag for the voter registration certificate cards. This is the paper stock we have used for the past 3 years and it seems to work well. It is well over the minimum thickness specified in the RFB

\*Any deviations to the Dallas County bid specifications may result in rejection of the Bidders Proposal if found unacceptable by Dallas County.

**Cooperative Purchasing:** Should other Governmental Entities decide to participate in this contract, would you, the awarded Contractor agree that all terms, conditions, specifications, and pricing would apply to that entity?

Yes

Specify the name, telephone number and email address of the account representative who will be handling and managing this account: Note: It is the responsibility of the awarded bidder to notify Dallas County of any account representative and/or contact person changes.
